**APPROVED REPORTS
OF THE
LEGISLATIVE COUNCIL
OF THE
COLORADO HIGH SCHOOL ACTIVITIES ASSOCIATION**

2016-2017

FORWARD

Two Legislative Council meetings were held during the 2016-2017 school year on January 26, 2017 and April 20, 2017. Complete minutes of each meeting were posted on the website and are also available from the CHSAA office.

The combined set of minutes is an attempt to provide the basic information regarding rule and policy changes approved by the Legislative Council, without detailing each motion and the discussion that surrounded each issue. All proposals are effective beginning with the fall of 2017 unless otherwise stated.

Please note that all reports appear as amended.

Any benefits provided by the outside organizations, which can include monetary contributions, facility improvements, equipment, transportation, awards, additional team support, etc., are subject to applicable State/Federal Regulations.

All booster club or similar donations to sport specific teams or general athletic/activity funds by outside organizations must be approved by school and/or district administration.

Each member school is responsible for the activities of its booster clubs and any violations and penalties that result from lack of oversight.

COOPERATIVE PROGRAMS – STATE LAW COMPLIANCE

(Board of Directors)

AMEND THE CONSTITUTION AND BYLAWS to read:

Amend Rules by adding the following to bylaw 1790 to read:

Page 62

1790.	COOPERATIVE PROGRAMS
--------------	-----------------------------

1790.2 The Colorado Revised Statutes (22-32-116.5) dictate the manner in which a student who is attending a school without a program may participate at another school (refer to state law for complete information).

In order to remain in compliance with state statutes, a school may NOT:

- a. Dictate to which school a student must go if his/her school does not offer a program
- b. Provide transportation to that school for the student(s)
- c. Make an informal agreement between schools in regard to which school will offer a program and which will not
- d. Provide the receiving school with any funds, equipment, facilities, etc., for the student(s) going to play at that school
- e. Provide any physical support except to provide transcripts for eligibility checks

Schools violating any portion of this by-law shall have the related sports program placed on a minimum of restriction.

AMEND THE CONSTITUTION AND BYLAWS to read:

Amend Rules by adding the following to bylaw 1870 to read:

INTERNATIONAL STUDENTS

- 1870.1 INTERNATIONAL STUDENT DEFINED – An international student is defined as any student who is not a citizen of the United States. This definition shall not apply to students who have permanent non-immigrant status in the United States, as defined by a student who holds an F-1 non-immigrant visa.

For purposes of clarification, only a student who holds a F-1 or J-1 visa, or has been classified by the Department of Homeland Security and holds documentation identifying the student as a "Refugee," shall be considered for athletic eligibility. Note: temporary status of any kind shall not be acceptable as replacement for the three categories noted.

A student holding a F-1 visa shall be treated as a regular non-international student; a student with a J-1 visa is subject to the limitations of the exchange program by-law outlined below; a student who has been identified by the Department of Homeland Security as a "Refugee" shall be treated as a regular non-international student.

- 1870.2 CONDITIONS OF VARSITY AND SUB-VARSITY ELIGIBILITY – He/She shall be eligible provided an International Student Waiver has been approved and filed in the CHSAA office when the following conditions have been met:

- Has not enrolled in a Colorado high school in order to participate in any scholastic athletic program.
- Has not been recruited to play interscholastic athletics in violation of Article 1900.2 by any high school or college representative.
- Is not a graduate in his/her own country, nor has attended the time equivalent of an American K-12 program.
- Has not attended high school in another state.
- Is in compliance with all other CHSAA eligibility rules.
- Has on file a completed physical examination in compliance with Bylaw 1780.1.
- Has not participated at your school or any other Colorado school or U.S. school.

a. For international students on a Council on Standards for International Educational Travel Program or other foreign exchange program: CHSAA approval.

b. For international students in NO program: league and CHSAA approval.

- 1870.3 LIMITED PERIOD OF VARSITY ELIGIBILITY – Students on a J-1 visa shall have varsity eligibility for no more than three consecutive sports seasons, beginning with his or her first varsity season.

However, no foreign student is eligible if he/she is a HIGH SCHOOL graduate in his/her own country OR has attended the time equivalent of an American K-12 program OR has attended

high school in another state. INTERNATIONAL STUDENTS SHALL BE SUBJECT TO ALL OTHER RULES OF ELIGIBILITY.

- 1870.4 PRESUMPTION OF RECRUITING – An international student who moves to Colorado and enrolls in a member school with the prior knowledge and assistance of a “school representative,” as defined in Article 1900.2, shall be presumed to have been recruited in the absence of clear and convincing evidence to the contrary.
- a. An international student who moves to Colorado and enrolls in a member school with the prior knowledge and assistance of a club sport or other outside sport coach, group or organization shall not have high school athletic eligibility in that sport.
- 1870.5 EXCEPTION FOR STUDENTS RESIDING WITH PARENT(S) – This rule does not apply to an INTERNATIONAL student who is residing in Colorado with his/her parent(s).

OFFICIALS CONDUCT

(Board of Directors)

AMEND THE CONSTITUTION AND BYLAWS to read:

Amend Rules by adding the following to bylaw 2760 to read:

Page 107

2760.

OFFICIALS' CONDUCT

Any registered official may be suspended and/or banned from the CHSAA registered list of officials for a specified amount of time (including a lifetime ban) by recommendation of the officials' organizations' governing board **or CHSAA Commissioner** when:

1. It has been shown that the official is guilty of unethical conduct; or
2. The official refuses to promptly file reports requested by the Commissioner's office and such reports are deemed pertinent to the conduct of coach, contestant, official or school competing under the jurisdiction of the CHSAA; or
3. If the official, as an adult, has been convicted of or has pleaded "guilty" or "no contest" to any criminal charge due to conduct that adversely affects the ability or appropriateness of the official to perform officiating duties in interscholastic athletics or activities; or
4. If the official has engaged in any illegal, unethical, or immoral conduct that adversely affects the ability or appropriateness of the official to perform officiating duties in interscholastic athletics or activities; or
5. It is deemed that the official's conduct is detrimental to interscholastic athletics and activities.

CHSAA game officials are expected to abide by the code of ethics for their respective associations, including proper, accepted social conduct. Violations of this Bylaw will be investigated and, if substantiated, the official may be suspended from the CHSAA registered list of officials for a specific period.

Any official who has been suspended or expelled by the CHSAA may appeal the action by an appearance before the CHSAA Board of Directors. The decision of the CHSAA Board of Directors shall be final.

GAME CONTRACTS

(Board of Directors)

AMEND THE CONSTITUTION AND BYLAWS to read:

Amend Rules by deleting and adding the following to 2860 to read:

Page 110

2860.	GAME CONTRACTS
2860.1	Member schools shall honor game contracts entered into in good faith, unless a reasonable accommodation between the competing schools is reached or the contest is cancelled due to an act of God which gives league/conference rescheduled contests a priority over non-conference games. Contracts must be written, must be specific with respect to the obligations of each party, and must be signed by the principal or athletic director of each of the contracting schools.
2860.11	CHANGE OF ADMINISTRATION AND/OR COACHING STAFF - A change in the administration and/or coaching staff within a school does not abrogate the obligation of a school with respect to its responsibility under the contract. In cases where a second contract is signed, if it is in conflict with the terms of an earlier contract, properly drawn and executed, the second contract shall be deemed null and void.
2860.12	PENALTY – Schools which violate this regulation will be immediately placed on probation and a \$500 reimbursement must be paid to the offended school within 45 days. A second violation of this regulation will result in a school or program being placed on restriction, and a reimbursement of \$1,000 must be paid to the offended school. Subsequent violations will result in a mandatory meeting with the CHSAA office with the penalty to be determined. If you do not pay the offended school within 45 days you will be placed on restriction with the CHSAA based on Bylaw 2330.1, conduct that the Commissioner deems detrimental to the mission of the Colorado High School Activities Association. Penalty is non-appealable.
2860.13	VARSITY – The penalty will only be applicable for varsity level teams.

EQUIPMENT DATES

- 3310.1 8. **COMMERCIAL/COLLEGE CAMP** Schools may attend a camp conducted by a college/university for a typical period (3-5 days). Prior to attending, high schools must develop a four-day camp, which would include two days in helmets, one day of full-pads with no player-to-player contact and one days of full-pads and full contact. The four-day camp and the commercial/college camp must both fit within the 14-calendar day time frame already established. The four-day lead up practices may not begin until Memorial Day.
9. Equipment must be returned and collected immediately.
10. Equipment for team camps cannot be issued prior to Memorial Day or after August 1.

Report No.

I. **MAJOR CHANGES FROM LAST YEAR'S REPORT:**

- A. Recommends adjusting RPI Percentages to (.35 WP + .35 OWP + .30 OOWP) for all classes **(Effective Immediately)**.
- B. Recommends change in 3A, 4A, 5A Seeding Process, adding additional factors into the seeding of the brackets, including utilizing a 32-team quadrant bracket **(Effective Immediately)**.

II. **RATIONALE FOR EACH MAJOR CHANGE:**

- A. Works in concert with recommended seeding changes to establish a more accurate post-season bracket. Impact is minimal on qualifying teams.
- B. After a year under RPI, the committee established a stronger seeding process after going through the previous seeding process in the previous season. The seeding committee will consider League Standing, Head to Head in Games Out of League, Strength of League, Final RPI Standings and Geography for the final eight seeds.

Each of the seven districts will qualify its district champion to the regional/state bracket, with the remaining nine teams to be determined by RPI. The 16-team field will be seeded by RPI. The seeding committee will attempt to avoid first-round district match-ups, when possible.

The CHSAA liaison will determine regional sites and set game times. The regional winners will advance to the semifinal and final games on Saturday, May 27, 2017.

2A District Information

District Assignments: Schools may elect to compete in a full schedule within their district to determine their seeds for the district tournament play or to establish some other method. This must be determined before the season begins and reported to the CHSAA by March 15.

Also, multi-league districts must decide their tournament seeding procedures prior to the beginning of the season. There is no protection of league champions in a multi-league district.

NOTE: Schools listed that are not planning on fielding a team should contact the CHSAA office immediately.

Districts must be completed by the second Saturday in May.

The CHSAA will assign the umpires to each regional tournament. The CHSAA will secure and assign the regional sites.

2017 2A REGIONAL & STATE BASEBALL TOURNAMENT

CHSAA establishes the sites and hosts for regional tournaments. CHSAA determines state site.

Regionals: May 19-20, 2017

State: May 27, 2017

Final 4

The higher seeded team will determine the “home team” and last at bat in all first round games. From quarters through the finals a coin flip by the site director/designee will determine “home team” and last at bat.

Class 2A District/Regional General Information

1. * = Designated District Chairperson in charge of facilitating the selection of tournament directors (if other than that school), site, tournament committee meeting to set brackets and establish guidelines, and officials selection and assignment. The district format must be determined and on file with the CHSAA Office by March 15 each year.
2. Regional and state sites to be determined by the CHSAA.

SEEDING PROCESS – CLASS 3A, 4A, 5A

After determining the qualifiers to the state bracket through the automatic seeds and RPI rankings, each 3A, 4A, and 5A bracket shall be seeded by a committee appointed by the CHSAA Assistant Commissioner responsible for baseball on a bracket featuring four quadrants. The committee may use the following in determining the bracket:

- RPI Final Rankings
- League Standing
- Head to Head in Non-League Games
- Strength of League
- Geography (lowest 8 seeded teams may be adjusted to improve the overall geography of the bracket)

Note on quadrant placement as it refers to League Standing: Designations (1, 2, etc.) from a league are significant in the seeding process in that a team may not be seeded above a team from its own league that has a better designation within a quadrant (e.g., D4 may not be seeded above D3, but, C3 may be seeded above CSM2 within a quadrant). But D4 could be a #4 seed in one region and D3 could be a #5 seed in another quadrant. NOTE: The committee shall, when possible, avoid pairings that will cause teams from the same league to meet in the 1st round.)

1. The top two teams from each district (designated by leagues and excluding the Colorado 7, and Confluence) will automatically qualify for the regional tournaments. If any of the three teams playing in the 3A/4A Colorado 7 win that league, or finish in second place outright, that team(s) would also automatically qualify. The remaining 18 (19, 20) teams will qualify by RPI.
2. The six (7) league champions, plus the next 2 (1) highest ranked team by the final RPI standings will host the regionals. Once those teams have been placed on the bracket, the committee will then place the remaining teams on the bracket utilizing the seeding process outlined in "Seeding Process – Class 3A, 4A, 5A" (page 7).
3. The regional tournaments will be single elimination, with the eight regional winners advancing to a double elimination state tournament to be played May 19, 20, 26, and 27 at predetermined sites. The pairings will follow the seeds established prior to the district tournament.
4. The schedule for the 3A, 4A, 5A double elimination tournaments are on pages 10-12.

1. Thirty-two teams, based on league finish, qualify for eight 4-team regionals to be held on Saturday, May 13 at the site of the highest seeds.
2. The eight league champions will automatically qualify to the 32-team regional bracket. The remaining teams will be determined by RPI. The regional hosts will be the top eight teams as determined by RPI. Teams 9-32 will be seeded by RPI, but could be adjusted to avoid a first-round league match-up.
3. The 8 league champions will automatically qualify to the 32-team regional bracket. The remaining teams will be determined by RPI, including Ponderosa and Vista Ridge. The eight regional hosts will be determined by RPI ranking among the league champions. Teams 9-32 will be seeded under the process outlined in "Seeding Process – Class 3A, 4A, 5A," found on page 7 in this report.
4. The schedule for 3A, 4A, and 5A double elimination tournaments are below.

2017 Class 3A, 4A, and 5A Regional Baseball Bracket

**2017 Class 3A, 4A, and 5A State Baseball
Double Elimination Tournament**

All games at neutral sites to be determined by CHSAA.

Site director will flip coin for home team in all games.

* - L11 and W11 may change places so that previous opponents are not matched. CHSAA will make determination.

% - If three teams remain after game 13, the winner of game 11 draws a bye to game 15. If W11 loses game 12, there will be three teams left and W11 earns the bye. W12 then plays W13 to reach finals.

V. POLICIES (ALL CLASSES)

A. Tie-Breaking System

Two-Way Tie

1. Head-to-head record in regular season.
2. If still tied, the records of the tied teams will be compared with first place team, then the second place team, etc. until the tie is broken. All higher placed ties must be broken before any lower placed ties.
3. If still tied, the following cumulative point system will be used. The team with the most points will receive the highest seed, etc. The winner of a game will receive three (3) points plus one point for each point difference in score up to five (5) (maximum of 8).
4. If still tied, a coin flip will determine the seeding. A coin flip will be used only as a last resort. If a coin flip has to be used to break a higher place tie, then the method explained in 1b above will be used to break any lower placed ties.

Three or More Way Tie

1. The head-to-head record of all teams involved in the tie will be compared to determine the seeding of all teams in the tie. If this produces a two-way tie, then the method explained in 1a above will be used; if this produces a three-way tie, then the method explained in 1b above will be used to break the tie.
2. Once a three-way tie is broken, the two remaining teams will resolve their tie as if a two-way tie exists.
3. If still tied, the following cumulative point system will be used. The team with the highest number of points will receive the highest seed. The winner of a game will receive three (3) points plus one point for each run difference in score up to five (5) (maximum of 8).
4. If still tied, a coin flip (as described in 1d above) will be used to break the tie.

B. State Association Adoptions

1. District/Regional/State Game-ending Procedures

All regional and state level games will be played to their conclusion in seven innings unless the 10-run rule comes into effect or extra innings are needed. All suspended games at the district, regional and state level shall be completed from the point of suspension to the conclusion of the contest at the earliest time possible.

All games will play seven innings unless otherwise terminated by the 10-run rule or the game goes into extra innings. NOTE: In all cases, the pitches pitched by the pitcher(s) count toward the maximum number of pitches allowed.

2. Regular Season Game-ending Procedures

A statewide game-ending procedure will be used as follows: "any game which is terminated by darkness, rain or other cause before it is a regulation game will be considered a suspended game and shall continue from that point of suspension at the earliest time possible. However, any remaining play may be shortened or terminated by mutual agreement of the opposing coaches." (Rule 4, Section 2, Article 4).

3. Speed Up Rules

The Association has adopted the use of speed up rules as noted in the NFHS Rule Book.

5. Sub-Varsity Game Time Limits

The CHSAA Baseball Committee has adopted an optional time limit for sub-varsity games at 2:15. This is a statewide standard and each league that elects to have time limits on sub-varsity contests, it must be 2:15 without variance.

C. Ratings Percentage Index

1. The Ratings Percentage Index shall be determined in the following manner:

35% of your teams winning percentage + 35% of your Opponents Winning Percentage + 30% of your opponents' opponents' winning percentage

In the event that two teams have the same RPI in the final standings, the following tiebreakers shall be used (in order). Once the tie is broken, the teams will be placed in that order.

1. Head-to-head competition
2. Winning percentage
3. Opponents' winning percentage
4. Opponents' opponents' winning percentage
5. Highest-rated win against a team in the final RPI standings
6. Next-highest rated win until the tie is broken
7. Coin flip

The RPI will continue to populate data through districts for Class 1A and 2A. For 3A, 4A, 5A the RPI will continue to populate until the final day of allowable competition Tuesday, May 9 at 9:00 pm.

D. District/League Pairing and Seeding Procedures (1A, 2A, & 3A)

1. Districts must decide their seeding procedures on or before March 10, 2017, and must submit them to the CHSAA office. Teams will be seeded by the districts tournament seeding committees.
2. In 1A and 2A if there is one outside team in the tournament and if there is not unanimous agreement by all participants in the district regarding how this team is to be seeded, the outside team will be placed on the bracket in the #3 or #6 seed according to their league winning percentage, overall record, and/or head-to-head competition within teams in the district. The team with the higher overall winning percentage will be entitled to host games if their respective seed is a designated host.
3. In 1A, all the teams in the respective district will meet and decide upon a seeding method for their district tournament and the host site(s) for the tournament. In 1A no team may be protected in a 1A district tournament for advancement.
4. In 1A and 2A, if there are two outside teams in the tournament and if there is not unanimous agreement by all participants in the district regarding how these teams are to be seeded, the outside teams will be placed on opposite sides of the bracket with one team seeded #3 or #6, and the other team seeded #4 or #5 according to league winning percentage, overall records, and/or head-to-head competition. The higher seed of the two outside teams shall be seeded in the bottom part of the bracket (2/7-3/6). Teams

with the highest overall winning percentage will be entitled to host games if their respective seed is a designated host.

5. In 1A and 2A, if there are three outside teams and if there is not unanimous agreement by all participants in the district regarding how these teams are to be seeded, two will be placed on one side of the bracket and one on the other according to league winning percentage, overall records, head-to-head competition, league finishes, etc. Schools from the same league should not play each other in the first round of the tournament unless absolutely necessary. Exceptions might be if one of the teams is 18-0 and the other is 0-18 and they are seeded #1 and #8. Teams with the higher overall winning percentage will be entitled to host games if their respective seed is a designated host.
6. In 2A, multi-league districts in preliminary rounds when home sites are used and two teams from different leagues play, the team with the higher winning percentage will be the host team.

VI. PITCHING LIMITS (Effective 2016)

Varsity

Pitches	Required Rest
86-110	3 Days
61-85	2 Days
36-60	1 Day
1-35	0 Days

Sub-Varsity

Pitches	Required Rest
61-85	3 Days
36-60	2 Days
26-35	1 Day
1-25	0 Days

A pitcher may throw up to 60 pitches over two days (i.e., 30 on Day 1 and 30 on Day 2), but will be required to have one day of required rest, due to the multiple warm-ups required for each appearance. No sub-varsity pitcher can throw more than 60 pitches over two days. That limit will result in two days of mandated rest. (Note: Swing players who play multiple days at multiple levels should combine pitches thrown and use the VARSITY chart for mandated rest.)

A pitcher will be allowed to finish a batter if they hit the limit (110 in varsity play; 85 in sub-varsity) during an at-bat, but must exit the game after the hitter.

It is strongly recommended that once a pitcher is removed, consideration be given to what position he is assigned once he is done pitching. Consideration should be given to the throwing requirement of the fielding position once the pitcher vacates the mound.

The Baseball committee strongly endorses that each school establish a pitching philosophy that includes the instruction in proper throwing mechanics, broadening the number of players who will become pitchers on their staffs, and developing a “work up” plan so that a pitcher is not throwing the maximum allowable pitches from the first day of competition (i.e., no more than 75 pitches in weeks 1-3, no more than 95 in weeks 4-6 to allow for growth and arm strength to develop, or other appropriate approach to arm safety.)

VII. INFORMATIONAL ITEMS

1. The CHSAA shall continue its pitch count accountability process and distribute to schools prior to the start of practice.
2. All levels of teams are required to implement pitch counts and share the number of pitches each pitcher throws with the other team at the end of the game, along with posting that information on MaxPreps with 24 hours of the game.
3. The CHSAA and Colorado High School Baseball Umpires Association will make a determination, based on the number of umpires available for post-season, whether there will be two umpires or three on each regional game. There will be three umpires on each game starting with each classification's state bracket.

CHSAA LEGISLATIVE COUNCIL COMMITTEE REPORT FORM

April 20, 2017

BASKETBALL

Sean O'Donnell, Pagosa Springs High School
Chair

ATH 2
Report No.

I. MAJOR CHANGES FROM LAST YEAR'S REPORT:

- A. Recommending that a Sportsmanship Rule be implemented that says, "when after three quarters of play and when there is a 35 points or greater difference in score, a running clock will be implemented and shall stop only for called timeouts, injuries and free throws."
- B. Class 2A is recommending a change in its regional format.

II. RATIONALE:

- A. The rule is needed to eliminate the humiliation factor in some regular season contests.
- B. The current format has created a situation where facilities cannot be found to host the contests. The proposed format has worked in past years

Statement from Basketball Committee: By nature, Sportsmanship or Mercy Rules are developed as safety precautions in those sports where physical contact supremacy could lead to catastrophic injury (Football, etc.), or physical overuse by players (softball, baseball, etc.). More recently, sports have implemented "mercy rules" as a way to mitigate the humiliation of one team by another.

The committee is implementing what it calls a "Sportsmanship Rule" because the sports coaches have shown a lack of sportsmanship, empathy and creativity to keep outrageous scores from happening. The CHSAA Basketball Committee strongly encourages individual schools to establish an accountability process to address coaches who routinely push scores to unacceptable limits.

III. FINANCIAL IMPACT:

- A. None
- B. The new format will provide for increased travel, but will also provide for increased revenue with a home school hosting the event.

IV. DATES:

CRITERIA: State Tournament will start the 2nd Thursday, Friday and Saturday in March.

Districts/Regionals/State:

1. Identical format for boys & girls
2. Districts determine own seeding criteria
3. Seven districts, each qualifying two teams to the state bracket, with the remaining 18 teams determined by RPI
4. The qualifiers advance to a 32-Team regional/state bracket where the district champions ranked in the top 16 of RPI plus the next highest RPI finisher will host regions.
5. The seven district champions, if ranked in the top 16 of RPI and the 1st highest RPI qualifier will be placed on the bracket in order of 1-8. A district champion not ranked in the top 16 of final RPI will be placed on the bracket but will not be a top 8 seed and will not host a region; seeds 9-32 will be placed on bracket in RPI, avoiding league/district opponents in the first two rounds when possible. (If a district champion is not in top 16 RPI, then second highest remaining RPI will host)
6. Seeds 24-32 may be moved to accommodate geographical considerations

2018 4A/5A STATE TOURNAMENT GIRLS & BOYS

First, second, Sweet 16, and 4A Great 8 round games at home sites and times may be set by host school, but 7:00 p.m. is recommended. 5A Great 8 and Final 4 game times are set by the CHSAA.

When 3 games at a site are required: 5:00 p.m. and 7:00 p.m. on Friday and 1:00 p.m. for the Saturday (all boys or all girls) is recommended. Other times may be approved by the CHSAA.

When 6 games at a site are required: 2:00 p.m., 4:00 p.m., 6:00 p.m. and 8:00 p.m. on Friday and 1:00 p.m. and 3:00 p.m. for the Saturday (3 boys and 3 girls' games) is recommended, but other times may be approved by the CHSAA.

Class 1A, 2A, and 3A State Tournament game times are set by the CHSAA.

VI. DISTRICT/LEAGUE PAIRING AND SEEDING PROCEDURES (1A, 2A, & 3A)

A. DISTRICT/LEAGUE SEEDING 1A, 2A, 3A

1. Districts will be seeded using the teams' RPI and based on all games played that season by each team.
2. Once the district is seeded, a copy of the bracket must be sent to the CHSAA office and to CHSAANow.com.

VII. OFFICIALS SELECTION (ALL CLASSES)

- A. The selection of 1A, 2A, and 3A district/league tournament officials will be the responsibility of the league assigners, in collaboration with site directors and the CHSAA office using the CHSAA "Arbiter Sports" online assignment system.
- B. Selection of officials for all other post-season games will be the responsibility of the CHSAA post season official's selection committee and the CHSAA office using the CHSAA "Arbiter Sports" online assignment system.

VIII. INFORMATIONAL ITEMS:

- A. The Basketball Advisory Committee continues to encourage member schools to make a more concerted effort in game management by being proactive when dealing with officials. All officials should be escorted to and from the court.

IX. COMMITTEE MEMBERS:

IV. INFORMATIONAL ITEMS:

- A. The Equity Committee heard proposals from supporters of Boys' Volleyball and Ultimate Frisbee who are interested in a CHSAA Sanction. Sanctioning Boys' Volleyball was not supported by the Equity Committee based on proportionality concerns, and Ultimate Frisbee was asked to create an All-School Survey before support could be granted or denied for a sanction. All new activities looking for a sanction must still pass through the Legislative Council.
- B. The proportionality and participation surveys are combined in order to decrease confusion between the two. The CHSAA liaison will send a reminder e-mail one week prior to proportionality due date and a principal letter one week after due date to non-reporting schools stating that "no report" was submitted to CHSAA. There will be a late fee assessed to schools that do not fill out the surveys. It was recommended that this topic be addressed at the upcoming All-School Summit.
- C. The CHSAA Equity Committee, along with the CHSAA Board of Directors, continually ensures that our Equity and Transgender bylaws and policies are in line with current state regulations. Many states look to Colorado for recommendations and advice regarding these topics.
- D. The CHSAA Equity Committee strongly supports the "Shift Why" initiative focusing on the development of positive young leaders and coaches.
- E. The CHSAA Equity Committee strongly supports the efforts of Special Olympics Colorado – in particular, Unified Sports, which offers opportunities for all levels of participants.

VI. QUALIFYING FORMAT:

- A. Quarterfinal round games to be played at the site of the higher seed. In the semifinals and finals, the higher seeded team will wear home uniforms (predominantly light-colored uniform tops.)
- B. The eight state qualifiers will be determined by the CHSAA RPI ranking system. In the event that two teams have the same RPI in the final standings, the following tiebreakers shall be used:
 - 1. Head-to-head competition
 - 2. Winning percentage
 - 3. Opponents' winning percentage
 - 4. Opponents' opponents' winning percentage
 - 5. Highest-rated win against a team in the final RPI standings
 - 6. Next-highest rated win until the tie is broken
 - 7. Coin flip
- C. Tie Breaking Procedure for playoff games (See page 83-86, E-1, E-2b & E-4 for format).
 - 1. Play one (1) full 10-minute period with teams of ten field players and one goalkeeper (11v11)
 - 2. If the contest remains tied at the end of the 10 minute overtime period, the teams will change ends and will play one (1) 10-minute Sudden Victory Period with a team of 10 field players and one goalkeeper (11v11],
 - 3. One-On-One – A series of five shots on goal shall be taken by individual players in a one-on-one situation (attackers vs. goalkeeper). To begin this procedure, the attacker stands on the 25-yard line and the goalkeeper stands on the goal line. Play continues for 10 seconds with follow-up shots permitted.

NOTE: A foul or violation by the attacker ends the procedure. A goal is awarded for a foul or violation by the goalkeeper. The procedures also ends when: (1) the 10 seconds has elapsed; (2) a goal is scored; (3) the ball goes out of play over the end line, or sideline.

- a. Each coach will present a list of 10 players to the official and the shots will be taken by the players in the order they are listed. The team attempting the first shot will be decided by a coin toss. If a players participates out of order, that one-on-one is over and no goal is awarded. The next correct player is to play the team's next one-on-one.
- b. The first five players listed for each team will attempt the shots on goal on an alternate basis and the team scoring the most goals is declared the winner.
- c. If the game is tied, the last five players listed for each team will attempt "sudden victory" shots on an alternating basis. This procedure will continue until the tie is broken. If necessary, the original list of 10 players will be repeated. The order of players may be changed at this time.

EXAMPLES: (1) No. 6 of A scores; No. 6 of B fails to score; A declared winner (2) No. 6 of A scores; No. 6 of B scores; (No. 7 player from each team must attempt shot-on-goal.) No. 7 of A scores; No. 7 of B scores; (No. 8 player from each team must attempt shot-on-goal.) No. 8 of A fails to score; No. 8 of B scores; B declared winner.

D. In the semifinals and finals, the higher-seeded team will wear home uniform (predominantly light-colored uniform tops.) One semifinal will be at 5:30 p.m.; the other will be at 7:15 p.m. Each team is asked to provide at least four ball shaggers for each game in which their team plays.

VII. POLICIES:

- A. REGULAR SEASON (LEAGUE & NON LEAGUE GAMES) - (See page 86, E-1 in the NF Rules Book)
Ties in the regular season shall be broken by playing one (1) full 10-minute period. Teams play a 10-minute overtime period with a team of ten field players and one goal keeper (11v11). The teams do not change goals at the end of the regular game. The winner of the coin toss chooses whether or not to take possession of the ball. The overtime is considered over when the time has expired. Games may end in a tie, but only after the 10 minute period has been played.
- B. Official time will be kept on the stadium clock until 10 seconds remain in both halves; however, the horn will not go off and a registered official will alert the head official when one minute is remaining in the first half, at the end of the game and any subsequent overtimes, and the official will count down beginning at 10 seconds remaining in both halves.

VIII. INFORMATIONAL ITEMS:

- A. On February 10, 2017, there will be a mandatory scheduling meeting at 9:00 am at the CHSAA office for all schools participating in the 2017 season.
 - a. *The CHSAA Field Hockey Committee recommends that teams only play 14 games during the 2017 season (no non-conference games).*
- B. The decision for the CHSAA semifinal and final ball (white, yellow or orange) color will be left to the discretion of the officials assigned to these games. Safety, lightening, and field markings will help determine which color is best. Balls should be rotated every 10 minutes during semifinals and finals.
- C. Halftimes will be five minutes in all games (non-league, regular season and playoff games).
- D. School administration has jurisdiction until games begin and officials have jurisdiction once games have begun.
- E. State Association Adoption of National Federation Playing Rules:
 - i. Rule E, E-1, E-3, & E-5 Game Ending Tie-Breaking Procedures.

I. **MAJOR CHANGES FROM LAST YEAR'S REPORT:**

- A. All classes will use the adopted RPI system (37.5% WP, 37.5% OWP, 25% OOWP) to determine the 16 playoff qualifiers.
- B. Seeding language was modified for all classes to allow the committee more flexibility to move teams within the bracket once qualifiers have been determined.
- C. The football contact recommendations were re-visited and approved to become requirements beginning with summer football camps in 2017.
- D. The heat acclimatization and early-season football recommendations were re-visited and approved to become requirements for the 2017-2018 school year.

II. **RATIONALE:**

- A. These percentage breakdowns put more emphasis on a team's own win percentage and less on their opponents.
- B. This method of seeding is less restrictive by adding a human element.
- C. After a two-year pilot period, the committee felt it was in the best interest of player safety to make the contact guidelines a requirement.
- D. After a three-year pilot period, the committee felt it was in the best interest of all football student athletes to make the heat acclimatization policy a requirement.

A6 QUALIFYING FORMAT

The seeding committee will be made up of 1 member from each conference. No coaches are permitted to serve on the committee. The committee will meet at the CHSAA office on the Sunday following the final week of the regular season.

6-man football will consist of an 8 week regular season. At the end of the 8 weeks, the following procedure will be followed:

The top 16 teams in the classification based on the final RPI rankings will be placed into the post-season bracket. If a conference champion is not ranked in the top 16 based on RPI ranking, they will replace the lowest ranked team that is not a conference champion in the top 16.

Seeding Criteria (once qualifiers are determined)

- The following criteria should be taken into consideration when seeding bracket, in no particular order: RPI, common opponents, and head to head competition.
- A conference champion in the top 16 of the final RPI rankings will be a top 8 seed and will host a first round game.
- A conference champion not ranked in the top 16 of the final RPI rankings will be placed in the bracket but will not be guaranteed a top 8 seed and will not be guaranteed to host a first round game.
- When possible, conference opponents will not be paired against one another in the first round.
- Geography will be a consideration in the first round.

Seeding Procedure

- Conference champions that are ranked in the top 16 of the final RPI rankings are placed on the board for consideration.
- The seeding committee will determine the #1 overall seed and place that team on the bracket. The #2 team from the same conference as the #1 overall seed will then be placed on the board for consideration. The seeding committee will then determine the #2 overall seed and place that team on the bracket. The #2 team from the same conference as the #2 overall seed will then be placed on the board for consideration. This process will be followed until all 16 teams are seeded.

Information Items

- Playing a JV team will not count for power points.
- A team that wins due to forfeit will count the game as a win for their season record. A team that forfeits a game will count the game as a loss for their season record.
- If a school fails to field a team before the start of the season (does not play a game) each scheduled game they were supposed to play shall be counted as a no contest.
- If a team plays at least one game and discontinues its schedule, each of its remaining games scheduled prior to the season shall count as a forfeit and will be computed into the power points.

2A QUALIFYING FORMAT

The seeding committee will be made up of 1 member from each conference. No coaches are permitted to serve on the committee. The committee will meet at the CHSAA office on the Sunday following the final week of the regular season.

2A football will consist of a 9 week regular season. At the end of the 9 weeks, the following procedure will be followed:

The top 16 teams in the classification based on the final RPI rankings will be placed into the post-season bracket. If a conference champion is not ranked in the top 16 based on RPI ranking, they will replace the lowest ranked team that is not a conference champion in the top 16.

The #2 team from the same conference as the #2 overall seed will then be placed on the board for consideration. This process will be followed until all 16 teams are seeded.

Playoff Hosting Policy and Procedure

- The higher seeded team shall be the host in the first round. In subsequent rounds, the team with the fewest number of home games shall be the host. If equal, the following criteria will determine the host:
 - If opponents are from the same conference, the school with the higher conference standing in the regular season shall be the host.
 - If opponents are not from the same conference, the higher seed shall host.
- On each schedule, the first scheduled (chronologically) non-classification opponent shall count toward RPI for the next higher classification. A first scheduled 1A opponent would count as 2A points for a 2A team.
- 2A championship home sites must accommodate a seating capacity equal to twice the maximum enrollment of the respective classification. Example: 2A has an enrollment maximum of 709 X 2 = 1418, minimum seating capacity.

3A QUALIFYING FORMAT

The seeding committee will be made up of 1 member from each conference. No coaches are permitted to serve on the committee. The committee will meet at the CHSAA office on the Sunday following the final week of the regular season.

3A football will consist of a 10 week regular season. At the end of the 10 weeks, the following procedure will be followed:

The top 16 teams in the classification based on the final RPI rankings will be placed into the post-season bracket. If a conference champion is not ranked in the top 16 based on RPI ranking, they will replace the lowest ranked team that is not a conference champion in the top 16.

Seeding Criteria (once qualifiers are determined)

- The following criteria should be taken into consideration when seeding bracket, in no particular order: RPI, common opponents, and head to head competition.
- A conference champion in the top 16 of the final RPI rankings will be a top 8 seed and will host a first round game.
- A conference champion not ranked in the top 16 of the final RPI rankings will be placed in the bracket but will not be guaranteed a top 8 seed and will not be guaranteed to host a first round game.
- When possible, conference opponents will not be paired against one another in the first round.
- Geography will be a consideration in the first round.

Seeding Procedure

- Conference champions that are ranked in the top 16 of the final RPI rankings are placed on the board for consideration.
- The seeding committee will determine the #1 overall seed and place that team on the bracket. The #2 team from the same conference as the #1 overall seed will then be placed on the board for consideration. The seeding committee will then determine the #2 overall seed and place that team

on the bracket. The #2 team from the same conference as the #2 overall seed will then be placed on the board for consideration. This process will be followed until all 16 teams are seeded.

Playoff Hosting Policy and Procedure

- The State Championship game will be played at the highest seed, regardless of the number of previous games hosted in the playoffs.
- On each schedule, the first scheduled (chronologically) non-classification opponent shall count toward RPI for the next higher classification. A first scheduled 2A opponent would count as 3A points for a 3A team.
- The 3A championship site must accommodate a seating capacity equal to or greater than 5,000. Playoff schools that cannot accommodate the minimum seating capacity of their classification must designate a site prior to their first playoff contest

5A QUALIFYING FORMAT

The seeding committee will be made up of 1 member from each conference. No coaches are permitted to serve on the committee. The committee will meet at the CHSAA office on the Sunday following the final week of the regular season.

5A football will consist of a 10 week regular season. At the end of the 10 weeks, the following procedure will be followed:

The top 16 teams in the classification based on the final RPI rankings will be placed into the post-season bracket. If a conference champion is not ranked in the top 16 based on RPI ranking, they will replace the lowest ranked team that is not a conference champion in the top 16.

Playoff Hosting Policy and Procedure

- On each schedule, the first scheduled (chronologically) non-classification opponent shall count toward RPI for the next higher classification. A first scheduled 4A opponent would count as 5A points for a 5A team.
- Sub-varsity contests must be at the opposite site of the varsity contest.
- 5A semifinal sites must accommodate a seating capacity equal to or greater than 5,000. Playoff schools that cannot accommodate the minimum seating capacity of their classification must designate a regional site prior to their first playoff contest.

2017 5A BRACKET

Home team is the higher seed in the first round.

I. POLICIES (ALL CLASSES):

1. Forfeits:

- A. A team that wins because it is awarded a forfeit will count the game as a win for its season record. A team that loses because of a forfeit will count the game as a loss for its season record.
- B. If a school fails to field a team and does not play one game, each of its scheduled games shall be counted as no contest.
- C. If a school plays at least one game and discontinues its schedule, each of its games scheduled prior to the season shall count as a forfeit and will be computed in the RPI standings. If a non-conference game is canceled because a team discontinues its schedule, a school may reschedule another game during that week to replace the forfeit, or accept the forfeit.
- D. All games scheduled after the start of the season must be approved by the Commissioner in order to count in the RPI standings.

2. RPI Tie-breaker:

- A. In the event that two teams have the same RPI in the final standings, the following tiebreaker shall be used (in the order listed):
 - 1) Head-to-head competition
 - 2) Winning percentage
 - 3) Opponents' winning percentage
 - 4) Opponents' opponents' winning percentage
 - 5) Highest-rated win against a team in the final RPI standings
 - 6) Next-highest rated win until the tie is broken
 - 7) Coin flip
- 3. Teams playing an opponent twice will receive separate RPI points.
- 4. Zero Week games shall count as a regular season game and be counted in the RPI standings in all classes.
- 5. JV opponents will not accumulate RPI points.
- 6. Enrollment for out-of-state schools will be equated to Colorado classifications.
- 7. The number of points a team scores in a game will have no bearing on the RPI point system.
- 8. NO GAMES - conference or non-conference - WILL END IN A TIE. If the game is to be extended, the National Federation tiebreaker method (10-yard line) shall be used.

I. PLAYOFF TIMES, SITES AND OTHER INFORMATION:

- 1. It is the desire of the Association that schools mutually establish game times and dates which best accommodate the interests of each school and community.
NOTE: All mutually established game times and dates are subject to final approval by the CHSAA office. When mutual agreement for the game time and date cannot be reached the following statements will apply:
 - A. Saturday, 1:00 p.m. and Friday 7:00 p.m. are preferred.
 - B. Semifinal games will be played on Saturday, 1:00 p.m. Exception: Semifinal games may be played on Friday, 7:00 p.m. if it is mutually agreed upon by both teams, if there is a facility conflict, or there is a television opportunity.

- C. Thursday playoff games will be allowed through the quarterfinals if mutually agreed upon by both teams. If not agreed upon the preferred game times will be Friday at 7:00 p.m. or Saturday at 1:00 p.m.
 - D. When mutual agreement cannot be reached and travel distance is 150 miles or greater, then the game will be played on Saturday. Friday night will be considered a reasonable option if the distance is less than 150 miles.
 - E. Both home and visitor will be provided the opportunity to supply input in the scheduling process but more weight shall be given to the home team preference.
 - F. Six or seven days rest following the previous game shall be considered adequate and will not be a consideration when establishing the date.
 - G. The Commissioner shall have the sole province to designate game times, dates and sites, including weeks when a school district is hosting more than one game.
- 2. Stadium Arrangements – The Commissioner (or his designee) has the authority to select the site based on the adequacy of the seating, field conditions, etc. Minimum seating capacities have been established and can be found in the respective playoff format sections.
 - 3. Playoff games shall not be postponed without the permission of the Commissioner (or his designee).
 - 4. The Commissioner (or his designee) shall have the authority to select an alternate site in the event of poor playing conditions.
 - 5. Determining sites for State Football Playoff Games (**ALL CLASSIFICATIONS**) - In the opening round of the state playoffs, the teams with the higher designation (No. 1 higher than No. 2) will host.

The home team at each subsequent playoff game shall be that team which has had the fewer home games during the state playoffs. If both teams have had an equal number of home games, then:

In Class **A6 & A8**, a coin flip will be conducted by the Commissioner to determine home site.

In Class **1A/2A/3A/4A & 5A**, the team with the higher designation will host that game.

EXCEPTIONS: in **2A**, if home playoff games are equal and the match-up involves two league opponents, the team with the higher regular season standing will host regardless of seed.

In **3A**, the championship game will be played at the higher seed regardless of the number of home games hosted in the playoffs.

For bracketing purposes, the team designated on the bracket or by a coin flip shall remain as the designated home team regardless of where the game is played.

Situation 1: Team A is designated the home team by a coin flip, but will not guarantee Team B's expenses. Team B guarantees A's expenses and hosts the game.

Ruling 1: For future site consideration, Team A has played a home game, while team B has been away.

Situation 2: Team A wins the coin flip, but chooses to travel to Team B.

Ruling 2: Team A has been home; Team B has been away.

Situation 3: Team A, designated as the home team, cannot meet the seating requirements and plays the game at Team B's field.

Ruling 3: Team A has been at home; Team B has been away.

Situation 4: Teams A and B agree to play at a neutral site.

Ruling 4: Home and visiting team must still be designated based on the criteria above.

6. State playoff officials for all classifications will be assigned by the CHSAA office.
7. For all playoff contests, there will be an exchange of the most recent two complete digitals. If one school films/videos and the other school does not, the upcoming opponent may secure a film from a previous opponent so that an exchange of digitals can be completed. The exchange must be consummated by 12:00 noon on Monday preceding the next contest. If distance is a factor, schools must use overnight mail to insure meeting the deadline.
8. A field to be used for any playoff game must have a field clock, or an extra official shall be hired in order that official time may be kept on the field by officials.
9. Five-man official crews will be used in all state playoff contests for football.
10. Regulation field for A8-Man is 40 x 100 yards with 15-yard side zones.
11. Mercy Rule:

In classes A8, 1A, 2A, 3A, 4A and 5A and at all levels (all conference and non-conference games), when a 40-point differential exists at any time during the game a running clock shall be used for the remainder of the game regardless of whether the score drops back below the mercy rule differential. (In A6, the margin is 45 points). See the following procedures below:

The clock will not be stopped when:

1. The ball goes out-of-bounds.
2. A forward pass is incomplete.
3. A score or touchback occurs.
4. A fair catch is made or awarded.

The clock will be stopped when:

1. The period ends.
2. Charged or injury time out.

The mercy rule will not be used in any live televised championship games.

12. Equal Facilities (Field Phone)

If telephone facilities for both teams are provided as a standard practice (during the regular season) at a playoff site, then the same number of telephone facilities must be provided for both teams. This number must stay consistent throughout the contest. If one set of phones becomes inoperable during the contest, then neither team may use the phones initially provided. Teams are permitted to bring their own set of phones to a contest. These phones will be considered "extra" and are not under the procedure as outlined above.

The responsibility for notifying both teams of phone problems should belong to the referee.

If a school does not provide phone facilities to both teams as a standard practice (during the regular season), then it is up to each team, home or away, to provide its own phones. The home team will not be required to provide phones to the visiting team if it is not done during the regular season.

13. Warm-up Time

A minimum of 45 minutes should be allowed for each team for pre-game warm-up.

III. INFORMATIONAL ITEMS

1. State Association Adoptions:

The NFHS rulebook (Table 1-7, pg 23) delegate's authority to the state associations for certain rules. The following shall apply in Colorado:

1-1-4 Note Determining the number of game officials – A6 = 4, A8 = 4 (5 preferred); 1A-5A = 5.

1-3-2 Note Mandating specific ball for all playoff competition – Any NFHS approved Wilson ball must be used for all playoff contests.

1-3-7 Use of supplementary equipment – Authorized.

1-5-1c4 Note Commemorative Patches – Must be requested of CHSAA on a case-by-case basis.

1-5-2d Use of artificial limbs – Authorized.

1-5-3b Note 1 Use of drum for deaf teams – Authorized.

1-5-3b Note 2 Use of device to enhance a required hearing aid – Authorized.

3-1-1 Procedure to resolve ties- NFHS overtime procedure.

3-1-2 Mercy Rule – Running clock procedures are on p. 8 of the football handbook.

3-1-4 Continuation of interrupted games – Subject to league policy.

3-1-5 Note 2 Length of halftime intermission – Subject to league policy.

3-2-1 Determining when coin toss is held – On the field, 3-5 minutes prior to the scheduled start time.

3-5-7L TV/radio timeouts are authorized when a game is broadcast.

8-3-1 Exc & OT 5-1-1– If a touchdown is scored during the last down of the fourth period or in overtime. The try is not attempted unless the point(s) would affect the outcome of the game.

Rule 1 Size of A6 and A8 fields – 100 yards for 8-man; 80 yards for 6-man.

2. The football committee strongly recommends that coaches share film with officials following each contest in an educational effort to improve the game.
3. The CHSAA Football Advisory Committee reminds schools that in the case of extreme travel, teams can elect to establish a site more conducive to that travel for a playoff game. This does not, however, alleviate the home school of its responsibility as host.
4. The Wilson football has been the designated ball for the CHSAA playoffs and must be used in all playoff games.

5. It is strongly encouraged that leagues do not use a point differential as a tie-breaker in league standings. Having point differentials as part of the criteria has created hard feelings and unsporting acts, due to late scoring attempts in order to reach the maximum point differentials.
6. P. A. announcers shall remain neutral.
7. Schools should assign official's escorts to and from the locker rooms at halftime and at the conclusion of the game. Officials should never be escorted through spectators.

I. Major Changes/Recommendations/Surveys:**A. Iwanamaker Fundraiser/Updates (Effective Immediately)**

- Regular Season and Regional pass revenue is broken out 80% to schools and 20% to Iwanamaker. Schools can fundraise up and through regional tournaments. Passes sold by schools will be valid for regular season and regional events. They will not be valid for state events. A single day ticket price during the regular season is \$5. Some schools may not sell a ticket until regionals but can generate revenue for their teams through regional sales. Also the public may want single tickets and will have the option to designate to which school the shared funds should go.
- There is a \$10/player registration in Iwanamaker for a maximum of \$100 per CHSAA team, boys and girls. This fee is for an unlimited number of players, varsity and junior varsity on these teams. These fees are the same as 2016.
- Coaches, school administrators, and CHSAA credentialed press have free access at all times. The content of this statement reflects last year's process.
- No other free access for anyone other than as defined in the third bullet point.
- State events will cost \$15 for two days, \$10 for one day. The revenue sharing will be the same as in #1, but for CHSAA and Iwanamaker only. CHSAA's share will offset expenses relative to the CGA and CWGA tournament operations agreement. CHSAA will assist in promoting tickets sales for its state events.

B. Regional Tournaments.

- 3A & 4A Boys Regional Tournament Alignments have been pre-set with the top 12 team finishers during the 2016 Boys State Tournaments for both classifications competitively distributed in the each of the four regions. The teams remaining in each of the four regions are placed mostly based on geography.
- 3A & 4A Girls Regional Tournament Alignments will be constructed just like the boys and will be determined after the 2017 Girls State Tournament.

C. Recommendations:

- It is recommended that a shotgun or split tee format be used for regional tournaments. A normal tee time format, back to back tee times, always results in a greater time demand of the course.
- Double Par or 10 Stroke procedures are allowable during regional tournaments. When a player uses either procedure on a hole, the player is disqualified and must provide that information to the committee at the conclusion of his or her play.

D. Girls Season Survey Results (284 Respondents)

- 66.3% Coach – 33.7% Athletic Directors
- 36.7 % Boys' coaches – 17% Girls' coaches – 46.3% Coaches of B & G
- 28.4% Play Boys and Girls Golf together in the Fall
 - 8.7% Alternate every Cycle to play Boys and Girls Seasons in the Fall
 - 5.8% Play B & G Varsity in the Fall and B & G JV in the Spring
 - 57.1% Continue with current format, Boys in the Fall and Girls in the Spring
- 62% to start Boys season as is one week before other Fall sports
- 38% to start Boys season two weeks before other Fall sports
- 57% to start Girls season two weeks later than other Spring sports
- 42% to start Girls season when other Spring sport season start (current).

II. **RATIONALE:**

- A. Potential financial support to golf programs.
- B. Competitive balance.
- C. Addressing pace of play and a quality experience for participants.
- D. Committee request to determine membership opinion when Girls Golf should be played.

III. **FINANCIAL IMPACT:**

- A. No impact
- B. Normal regional travel experienced by most schools anyway.
- C. No impact
- D. No impact

IV. **DATES and SITES:**

Rules of Thumb for Setting State Championship Dates:

IV. QUALIFYING FORMAT AND REGIONAL ASSIGNMENTS:

A. Girls and Boys Golf Qualifying:

1. Qualifying Formats

- a. Classification - Boys, 3A: 1 - 655; 4A: 656-1409; 5A: 1410 and up.
- b. Classification - Girls, 3A: 1 - 881; 4A: 882 - 1565; 5A: 1566 and up.

2. Teams and Individual Qualifiers

- a. There are 84 state qualifiers for 3A, 4A, and 5A. Each regional tournament will have 2 full teams and 13 individuals not on a team. 5A Boys and Girls Regionals are seeded from league standings.
- b. The 4th Team Qualifier for all classes, boys and girls, the highest scoring member of a qualifying team must score 10 strokes or less from that of the last individual qualifier not on a team to qualify with his team. If the highest scoring member of the team(s) that qualifies is more than 10 strokes from the last individual qualifier's score, the 4th team member will be dropped and replaced by the next highest individual not on a team from that regional tournament. A team can compete for team points as a 3-member team.

Each 5A regional tournament will be made up of schools placed by their league finish. The deadline for the submission of league finishes is at least one week prior to the start of regional tournaments. Each region will have two (2) automatic team qualifiers and thirteen (13) individuals not on a team. A league or league school is responsible for hosting the regional tournament as noted on the regional template. It is recommended that an intra-league rotation of hosts schools be set-up and filed with the CHSAA Golf Commissioner.

The CGA and CWGA will staff each regional with rules' officials. CGA or CWGA staff persons are charged with starting the event, making rulings, and receiving scorecards. An independent scorer, provided by each school, is required to follow each playing group. This person may be a parent and is required to enter hole by hole scores into Iwanamaker.

*The league hosting rotation is shown below. Each League will develop an individual hosting school rotation.

- A. 2015-2016 (odd years), etc. – CSML, Continental, Front Range.
2016-2017 (even years), etc. – Centennial, Denver, EMAC
- B. 2016—2017, 2017-2018, etc. Jeffco (two years in succession)
2015-2016, 2018-2019, etc. Southwestern (every three years)

VI. POLICIES (Boys & Girls): underline below is new or an emphasis.

- A. No more than two CHSAA registered coaches may coach anytime during the players' round tee to green. When a player has reached the green to putt, he or she may not be coached. If a coach is not wearing a coach's tag, he or she is deemed a spectator and must not be coaching any player or walking in the fairway.
- B. Schools that qualify three golfers as individuals to the state tournament may compete as a team, but no substitutions can be made for these golfers because in actuality their status is that of individual qualifiers.
- C. The CGA and CWGA will provide rules officials for all regional and state tournaments.
- D. All competitors must wear a golf-type shirt with a collar and sleeves (no sleeves required for girls). A mock-turtle neck shirt can be worn in lieu of a collared shirt. School identification must be on the shirt.
- E. Competitors may wear tailored shorts or slacks in all events, but they must be of the dress variety. Denim blue jeans, cutoffs, spandex, physical education or running-shorts, or short-shorts will not be allowed. During the regular and postseason, slacks, shorts, or skirts must have a hemline no shorter than the student's fingertips when their arms are down by their side. If the player is not in compliance when checking in for a tee time, the starter can have the player change the illegal attire or be disqualified. Coaches are responsible for their player's attire.
- F. Golfers may not use caddies or motorized carts. Noisemakers and radios are not allowed. A range finder device designed only for measuring distances may be used. Players may share a range finder device.
- G. Players will follow the CHSAA Code of Ethics as it relates to the non-use of chemicals, alcohol, tobacco and other mood-altering substances. They will also be expected to follow the highest standards of sporting behavior; gambling, club throwing, and the use of abusive language will not be tolerated.
- H. Any negative sporting behavior will be dealt with in the following manner during a meet:
First Offense - a warning will be given
Second Offense - disqualification from the event
NOTE: Any act deemed to be flagrant could result in an immediate disqualification.

- I. An observer, who may be a parent, is required to follow each playing group. The observer is charged with entering scores in Iwanamaker.
- J. This is a team competition with a concurrent individual competition. Should a team member incur a penalty of disqualification for breach of the USGA Rules of Golf, the golfer is disqualified from the individual competition but may compete and as a team member.
- K. Coaching/Giving Advice is allowed on the course as per Item A only. It is the responsibility of players to know the rules and any breach of the rules of giving advice or giving information is subject to loss of stroke.
- L. Regional tournaments may use the team wave format as an alternative method of pairing golfers.
- M. The CHSAA supports and encourages team play in golf.
- N. The 4th qualifying golfer on a team within 10 strokes of the last qualifying individual golfer is part of team concept advocated by the CHSAA in all its sports and activities.
- O. Tournament directors are encouraged to contact the CGA to get advice on controlling pace of play. The CGA will help setup the course. Note that coaches are not to collect score cards.
- P. For regional tournaments the regional host must secure back up dates.
- Q. Players should ensure that any electronic device taken onto the course does not distract other players. The use of an electronic device such as a mobile phone, hand-held computer, calculator, television or radio is not of itself a breach of USGA Rule 14-3 and can be used for: matters unrelated to golf (e.g., to call home); accessing information on advice-related matters produced prior to the start of the player's round (e.g., an electronic yardage book, swing tips); accessing (but not interpreting or processing) playing information from previous rounds (e.g., driving distances, individual club yardages, etc.); obtaining information related to the competition being played (e.g., the leaderboard or projected "cut"). During the stipulated round the penalty is: First offense – Warning; Subsequent Offense – Disqualification/Removal from the course.
- R. "Advice" is any counsel or suggestion that could influence a player in determining his play, the choice of a club or the method of making a stroke.
Information on the Rules, distance or matters of public information, such as the position of hazards or the flagstick on the putting green, is not advice.
Players on a team are not considered to be partners no matter if they are in a group together or not. So, they can share information but they cannot share advice. The only way to circumvent this is through the coach. Player A can give advice to a coach that can be relayed to Player B but the advice cannot be shared between A and B directly.

VII. 2015-2016 RECOMMENDATIONS/POINTS OF EMPHASIS (Boys & Girls):

- A. In the continued interest of growing girls' golf, school districts should make every effort to form separate school golf programs.
- B. Regional and state tournament directors must have adequate forecaddies and other volunteers.
- C. During both the regular and playoff season, golf coaches should coach and supervise his or her golf team while on the course. Tournament directors should create duties for coaches during the event who are not coaching their golfers. The golf committee strongly recommends against coaches playing a round of golf at high school matches and tournaments, unless it is a coaching exercise with his or her players.
- D. Regional directors should rank order teams by the total score of three of the four golfers received prior to the regional tournament and then set tee times using the wave format.

- E. Regional tournament directors must list two alternates when reporting the results of the tournament to CHSAA. Alternate Ties must be played off.
- F. Standards of integrity and the rules of game will be addressed at all levels for all tournament play during both the regular and playoff season. Because golf etiquette is second nature to the sport of golf, a “care of the course” effort should be the concluding activity of every tournament. A hole should be assigned to each team and all divots replaced or filled in with sand and all pitch marks on the green repaired.
- G. Coach should ask the PGA professional at the site of where the team practices and plays so he or she can conduct an etiquette seminar and rules seminar for the golf team(s).
- H. State course set-up changes and updates must be shared with coaches by the Sunday coaches’ meeting.
- I. Courses selected for a state championship must work diligently to make the event the best possible and should include a dinner with a notable keynote speaker who can provide inspiration and congratulations to the participants and coaches.
- J. At all mandatory rules meetings, the CGA/CWGA will provide all golf coaches with enough rules books for their teams. All golfers should have a rule book. The Golf Committee strongly recommends that all golf coaches and players take the USGA online rules test prior to the start of the season.
- K. All regions should have a written plan of the rotation of schools hosting the regional tournament.
- L. Hosts of championship events should plan a dinner to attract all coaches to the rules meeting. The dinners engender good will and camaraderie.
- M. State tournament sites should have adequate banquet facilities to service golfers making the turn without significant delays.
- N. An alternate will be allowed to play in the state championship only if to replace a scratched state qualifier from that alternate’s regional tournament. A second alternate will be allowed to play only if the first alternate agreed to scratch or was already placed in the tournament.
- O. Media coverage of the sport of golf is essential. Those persons in charge of league statistics and tournament scoring results should be in constant contact with newspapers in their area.
- P. It is highly recommended that 5A league play be completed at least one week before the Monday of the start of regional tournaments.
- Q. If a regional or state tournament is held at a private course it must first guarantee that practice rounds be made available both the Saturday and Sunday before the tournament. It is recommended that a practice round be offered prior to the weekend of the tournament.
- R. In a recent CHSAA Survey Monkey report girls’ golf schools would favor a third classification of girls’ golf. The CLOC Committee has already proposed a third classification for the 2016-2018 Cycle.

VII. 5A STATE MEET:

Thursday afternoon competition begins at 4:00 pm with the top ten (10) teams and two (2) groups of individuals competing for team honors, all-around championships, and for the top 15 spots to qualify for individual finals. This is to be done in a 12-team rotation, four events at a time. Finals will feature all events at one time starting at 2:00 p.m. on Saturday.

VIII. STATE ASSOCIATION ADOPTION OF NF PLAYING RULES:

Block Style of Competition

Tie Breaker System

Only 6 team members may compete regardless of how many qualify

IX. INFORMATIONAL ITEMS:

1. The committee developed a policy that requires all teams to submit a team roster to the CHSAA Office by September 14. Any individual must compete in a minimum of five meets during the regular season to be eligible to compete in the regional and state meets. Waivers for injuries and other issues can be filed with the Assistant Commissioner in charge of gymnastics.
2. Regionals will be limited to two judges per event plus one meet referee in an effort to limit expenses to schools.
3. The committee decided on a three-day state meet with 5A going on Thursday afternoon, 4A on Friday afternoon, and finals on Saturday afternoon.
4. All regionals shall use the same computer scoring system.
5. The 16th qualifier in each event (4A and 5A) will warm-up for finals in the event of an injury to a top 15 athlete.
6. Competitors Scores, per rule 3-2-1. The CHSAA has determined that no more than 6 per event shall count toward team scores. Those 6 competitors shall be identified prior to competition.

Report No.

I. MAJOR CHANGES FROM LAST YEAR'S REPORT:

- A. Approved the addition of two varsity programs to enter competition for the 2017-2018 season. Chaparral will join the Pinnacle Conference and Woodland Park will join the Highlands Conference.
- B. State Rule Adoption – **Two-year** trial period will be utilized for officials during varsity games. We will use a one referee and two assistant referees for the 2017-2018 season. Schools will have the opportunity to employ four officials on home games if they choose.
- C. The procedure to meet requirements for playoff waivers has been reduced from a fifteen-game minimum to a thirteen-game regular season minimum. Waiver criteria will remain as previously listed in the Bulletin. Back-up goalies must be listed on the roster during the regular season and reach the thirteen-game minimum. Inactive goalies listed on the playoff roster are not mandated to meet the thirteen game minimum requirements. All supporting documentation must be received on the Monday prior to the opening round of the playoff bracket.
- D. Tournament dates: The Regular Season will end on Saturday February 17, 2018. 1st round games will be scheduled for February 20 or 21. Second round and quarterfinal round playoff games are planned to be played February 23-24, 2018. State Semifinal/Championship games Friday, March 2, and Monday, March 5, 2018 @ TBA. These are tentative dates and could change depending on Ice Rink availability.

II. RATIONALE:

- A. The committee approved the addition of two varsity teams to enter competition for the 2017-2018 season. Teams have been placed in the third and fourth tiers.
- B. The CHOA has requested the use of one referee and two assistant referees to be contracted during regular season play. Data will be collected by the CHOA and will report to the committee and the close of the season.
- C. With roster numbers meeting the NFHS Rules Book requirement of twenty athletes, the committee felt the minimum game requirements should be reduced to reflect the roster decrease. Supporting documentation must be submitted with the waiver and reflect the dates in which the effected games started and ended. Sub-varsity players may gain post-season eligibility if: The sub-varsity player does not participate at any level of club hockey, they have played in 65% of the scheduled junior varsity games; and are able to replace a current rostered player that is unable to participate because of injury; eligibility, illness, educational discipline or death in the family.
- D. Following the Rules of Thumb, tentative playoff dates were established for the next two-year cycle. The Semifinal/Championship dates are subject to change due to venue availability.

Teams are required to play each team in their conference twice with both games counted toward the final regular season standings to determine the conference champion. Each conference will be responsible for their regular season schedule. Conference teams cannot schedule one another during the out-of-conference (non-conference) slate.

The RPI (Rating Percentage Index) will be used to capture the twenty-four team playoff bracket. Conference champions will automatically qualify for the playoff bracket, using in-conference points (not the RPI). Teams will be placed on the bracket utilizing the final RPI rankings. The seeding committee shall use the final RPI rankings to place teams on playoff bracket. Teams listed on the final RPI rankings as numbers 1-16 will be placed on the bracket as listed. Teams listed numbers 17-24 in the final RPI rankings will take geography and first round conference opponents into consideration when being positioned on the playoff bracket. Regular season games must be scheduled with teams in the other three conferences to fill the (19) nineteen games allowed by the CHSAA Bylaws. Games will be scheduled on a two-year cycle with reverse home and away contests or home/home and away/away contract.

- A designated conference liaison will forward the final conference regular season finish of the top 24 teams to CHSAA on Sunday, prior to the 1st round for placement on the play-off bracket.
- The four regular season conference champions are guaranteed to be placed on the playoff bracket. The remaining twenty teams will be selected by using the final RPI rankings.
- Teams are placed on the playoff bracket based on final RPI (Rating Percentage Index) standings numbers 1-16.
- Teams placed on the playoff bracket based on final RPI (Rating Percentage Index) standings numbers 17-24 will take geography and first round conference opponents into consideration.
- For the first round of the playoffs the top eight teams with the highest RPI ranking will be placed on the bracket and receive a bye into the second round.
- The four highest ranked teams in the final RPI (Ratings Percentage Index) from the regular season standings will host the second round and quarterfinal round games.

- Conference Champions are crowned by using the total point accumulation system of (2 points for a win, 1 point for a tie, 0 points for a loss) in the fourteen conference games.
- In the event of a tie for the Conference Champion (Automatic Qualifier), the following tie-breaking format will be applied:
 - Head-to-Head competition between tied teams. If a three-way tie occurs, once the tie is broken between three teams we revert back to Head-to-Head for the remaining two teams.
 - Most wins against conference opponents.
 - Win/loss (no score considered) against the highest finisher within the conference. If that does not break the tie, compare the tied teams' outcomes against the next highest finisher and son down through the conference.
 - Fewest goals allowed in conference games.
 - Least amount of penalty minutes in conference games.
 - Coin Flip.

NOTE: The final RPI (Rating Percentage Index) will be utilized for the conference and non-conference games for selection and placement onto the playoff bracket.

- Teams must secure ice in the event that they are eligible to serve as the playoff host.
- Higher seeded teams will be designated home team for all playoff bracket game including the semifinal games and Championship contest.

What happens if two teams are tied in the final RPI standings?

We have created a tiebreaker for this unlikely scenario. It is as follows:

1. Head-to-head result between the two teams
2. Winning percentage
3. Opponents' winning percentage
4. Opponents' opponents winning percentage
5. Highest-rated win (according to the final RPI standings)
6. Next-highest rated win (exhaust all possibilities)
7. Coin flip

The only reason for the coin flip is as a last result if all other scenarios happen to be tied.

STATE CHAMPIONSHIP PLAYOFF BRACKET

- First round games will be hosted by the highest seeded team listed on the playoff bracket.
- The higher seeded team will be listed as the “Home” team.
- Second round and quarterfinal games will be hosted by the top four ranked teams recorded in the final RPI (Rating Percentage Index).
- Semifinal/Championship games will be hosted by CHSAA at a site to be determined.

VI. INFORMATIONAL ITEMS:

- A. All team members including back-up goalies must be designated on Sport Ngin to meet game minimum. During to post-season playoffs, the inactive goalie does not have to meet the 13 game minimum requirement and does not require a waiver.
- B. Waivers and ALL supporting documentation must be submitted to the CHSAA office on the Monday morning prior to the first round of the playoff bracket. The waivers must be received by 8:00 a.m. with supporting documentation. The waivers must have documented the beginning and ending date of the games in which are in the wavier. Schools will be notified on Monday if the waiver meets the criteria set forth by the ice hockey committee. If the Waiver Committee requests clarification or additional supporting/supplemental documentation, the school must submit the information before 8:00 a.m. on Tuesday prior to the first round of the playoff bracket. There will be no appeals to the Waiver Committee after the waiver process has been completed.
- C. All teams that qualify for the playoff bracket must submit an Ice Hockey Roster Form and Ice Hockey Waiver Form(s) (if applicable) on the Monday prior to the first round of the beginning of the playoffs. Waivers will only be accepted based on the following criteria: injury (to the player listed on the waiver), eligibility, illness, educational discipline, or death in family. Proper documentation is also required to be submitted with each waiver. If the player is competing on an outside team during the CHSAA season, supporting documents must be submitted with the waiver. Supplement documentation can be submitted before the committee assembles on Monday morning at 8:00 a.m. A waiver committee will be seated with representation from all four conferences along with the CHSAA liaison will serve to review all playoff waivers. The committee will meet at 8:00 a.m. on Monday prior to the first round of the beginning of the playoffs. Waivers will not be accepted once the committee has assembled for their meeting at 8:00 a.m. on the Monday prior to the first round of the playoffs.
- D. A student who transfers schools over the summer without a bona fide family move will have restricted eligibility for the first 50% of the regular season and may have varsity eligibility during the second 50% of the regular season under the conditions of 1800.2 and 1800.3. The transfer student then must appear on the Sport Ngin roster in 8 of remaining 10 games that he/she is eligible to participate. An Ice Hockey Waiver Form must be submitted for the student/athlete that transfers schools over the summer without a bona fide family move documenting the transfer. The student/athlete must also be present for practice sessions and games during the 50% restricted eligibility period.
- E. A one-page checklist for Sport Ngin scorers will be printed in the Ice Hockey Bulletin and training for Sport Ngin official game scorers can be completed on-line.

- F. Team playoff rosters can change from game-to game. All athletes listed on the 20-person playoff roster must meet the thirteen-game minimum requirement to be eligible. (Exception: Inactive Goalie)
- G. An informational packet will be sent to all host site directors for the playoff bracket.
- H. The Committee unanimously approved the following: During the mandatory head coach/officials meeting that is written in the NFHS Ice Hockey Rules Book, (NFHS) to take place 30 meeting to take place 15 minutes prior to the teams taking the ice. The committee also approved that one ice-make (between the 1st and 2nd periods) can be eliminated if both coaches mutually agree it is in the best interest of the contest. This should help in some rinks to keep games starting on the scheduled time.
- I. **Two- year** trial period – The committee unanimously approved utilizing a one referee with two assistant referees for the 2017-2018 regular season.
- J. **If the home team chooses, the 2-Referee/2-Linesmen system can be utilized during Regular Season games.** For all Playoff Games, the 2-Referee/2Linesmen system will be used.

The CHOA will recommend the following State Adopted Rules:

- Game misconducts result in a game suspension
- 15 or more penalties result in a game suspension for the coach
- 5 Penalties on a Player – Any player who incurs five penalties shall be assessed a Game Misconduct penalty and WILL serve an additional one-game suspension.
- Post-Game 10-minute Misconduct penalties are served at the beginning of the next game
- Mercy Rule - 6 Goal differential results in a running clock
- There shall be three periods, each consisting of 17 minutes of actual play, with recommended intermissions of 10-12 minutes each between periods.
- Playoff Overtime Procedure: Following the (2) two, eight-minute sudden victory (first goal scored) periods, full intermission and the teams will return to the ice and play 4-on-4.
- Shooting the puck toward the sideboards and glass in the neutral ice area during pre-game warm-up is prohibited.
- ***Two-year** trial period – The committee unanimously approved utilizing a one referee with two assistant referees for the 2017-2018 season.
- A 4-person officiating system can be utilized during regular season play – home team choice
- Playoffs – A 4-person officiating system will be utilized beginning in the first round of the playoffs until the conclusion of the State Championship game.

5A BOYS' LACROSSE PLAYOFF BRACKET 2016-2017

*Higher seed will be the home site in the first round.

VII. GIRLS' POLICIES:

- A. Game time - Varsity: two 25-minute halves - stopped clock - 5 minute half-time Sub-varsity: two 25-minute halves – running clock – stopped clock with 2:00 minutes remaining in half.
- B. No game will end in a tie. The NFHS tiebreaking procedure will be used for all regular season and playoff games.
- C. Once play begins the umpires shall have the authority to interrupt or suspend the game due to dangerous weather or field conditions. The umpire's decision is final. A game is considered legal and complete if 80% of playing time has elapsed. If a suspended game (one in which less than 80% of playing time has elapsed) is replayed on another day, it must be played from the beginning. An interrupted game continued on the same day shall be restarted from its point of interruption.
- D. Schools must declare a varsity team by September 1 in order to be included in league scheduled play and playoff berths.
- E. As January 1, 2014 Lacrosse balls must meet the NOCSAE standards in order for the contest to be played.

VIII. BOYS' POLICIES:

- A. Game time - Four - 12 minute quarters - stopped clock
- B. The penalty system requires removal of the violator for a specified period of time, with the team playing short-handed.
- C. No game will end in a tie. If tied at the end of regulation, there will be a 2-minute break followed by a 4-minute sudden death overtime period. This will continue until the tie is resolved.
- D. Interrupted games will be continued from the point of interruption.
- E. Home team in all rounds will be the highest seeded team.
- F. Schools must declare a varsity team by September 1 in order to be included in league scheduled play and playoff berths.
- G. As of January 1, 2014 Lacrosse balls must meet the NOCSAE standards in order for the contest to be played.

IX. CONFERENCE STANDINGS AND TIE-BREAKER – BOYS & GIRLS:

A. Conference standings and tie-breaker:

1. When teams are placed on the bracket it is based on their finish within the conferences. Conference games will determine conference standings. A point total will be determined from the following: 2 points for a win; 1 point for an OT loss; 0 points for a loss.
2. Ties in conference standings will be resolved using the following conference procedures.

Tie Breaker for Seeding Based On Division Play Only

- A.** Head-to-head competition will be the first tie-breaker for teams with equal point total.
- B.** If the division game between two tied teams resulted in a tie, the tie will be broken by examining each team's record against the highest ranked team in their division. If the tie is still unbroken, then the process would continue with the #2 seed and so forth until one team has beaten a common opponent and the other has not. *Example: Team X and Team Z are tied for 3rd place with equal point totals and the game between X and Z resulted in a tie. Team Z beat the #1 seed in their division and Team X did not, so Team Z would be the #3 seed and Team X would be the #4 seed.*
- C.** If 2 or more teams have the same point total, the tie will be broken by the following procedure:
1. Point totals against only the tied teams. The remaining tied teams would revert back to #A above and proceed through the steps listed until the tie is broken. *Example: If Team A beat both B and C, their point total would be 4. If Team B beat C, but lost to A, their point total would be 2. Team C would have 0 points. In this example, Team A would be the highest seed. B and C would revert back to #A above to be seeded.*
 2. If the tie remains unbroken, the process described in #B above would be implemented until one team is seeded. The remaining tied teams would revert back to #A above and proceed through the steps listed until the tie is broken. *Example: If A, B and C all lost to the #1 seed, but B beat the #2 seed while A and C lost, B would be the highest seed among the tied teams. A and C would revert back to #A above to be seeded.*
- D.** If the tie remains unbroken, the highest seed will be the team(s) which gave up the fewest goals in conference games between the tied teams. The remaining tied teams (if necessary) would revert back to #A above and proceed through the steps listed until the tie is broken. *Example: If A, B and C are still tied. "A" gave up 2 goals when playing B and 3 goals when playing C for a total of 5 goals scored against. "B" had a total of 4 goals scored against and "C" a total of 6 goals scored against. "B" would be the highest seed among the tied teams. A & C would revert back to #A above to be seeded.*
- E.** If the tie remains unbroken, the highest seed will be the team, which gave up the fewest goals in their game against the highest seeded conference opponent. If unbroken, the goals given up against the next highest league opponent would break the tie proceeding through as many conference teams as necessary to break the tie. The remaining tied teams would revert back to #A above and proceed through the steps listed until the tie is broken.

- F. If the tie remains unbroken, a coin flip will identify one team as the highest seed among the tied teams. The remaining tied teams would revert back to #A above and proceed through the steps listed until the tie is broken.

X. INFORMATIONAL ITEMS

- A. The lacrosse committee will have an end of the season meeting to revisit RPI and seeding to determine if the committee would like to adjust the RPI before the January Legislative Council meeting.
- B. Varsity "2" teams are not permitted. Schools are only permitted one varsity team. All league contests must be played by varsity teams.
- C. As of January 1, 2014, balls must meet NOCSAE standards.

OFFICIALS' FEES

CHSAA LEGISLATIVE COUNCIL COMMITTEE REPORT FORM

January 26, 2017

OFFICIALS' FEES

Glenda Bates, Westminster High School

Chair

ADM 5

Report No.

I. MAJOR CHANGES/RECOMMENDATIONS FROM LAST YEAR'S REPORT:

Changes

1. A \$2 increase in fees for all sports and all levels for the 2018-2020 Cycle. A \$1 is already scheduled.
2. Cross Country Regular Season and Regional Requirements for use of number of officials and their payment are as follows:
REGULAR Season Cross Country Meet Requirements: 1-9 teams-1 official (recommend 2); 10-19 teams-2 officials; 20-29 teams-3 officials; 30 or more-teams-4 officials. REGIONAL Cross Country Meet Requirements: 4 officials.

Recommendations

1. Officiating Recruitment for Schools/Leagues – Invest in new officials. Pay start-up costs to get Umpires and Officials in your Area. Save money in the long run.
Football Official – Shirt, hat, shoes, pants, startup kit: \$270.45
Baseball/Softball Umpire – Hat, shirt, belt, pants and accessory package – ball bag, plate brush, indicator – mask, chest protector, shin guard: Total \$293.80
Volleyball Official: Shirt, Shoes, pants, whistle/lanyard, flags: Total \$214.75.
The savings in travel of officials driving outside an area would pay the startup costs of recruiting 6 new officials. The cost is \$1,200 for 10 home game travel stipends for 6 officials.

II. RATIONALE:

Changes

1. From \$58 to \$60 is a 3.4% increase, which for a \$430,000 officiating budget is an increase of \$15,000. From \$50 to \$52 is 4% increase, which for a \$430,000 officiating budget is \$17,200.
2. Cross Country Regional Meets require more attention and scrutiny. In these meets many NFHS and CHSAA rules' violations have gone undetected leading to potential disqualifications at State.

Recommendations

1. This paragraph is a plea to recruit officials in all areas but particularly outside the larger urban areas.

The 8-hour period will begin with the published scheduled start time for the tournament. The total amount of fees paid after an 8-hour period shall be distributed evenly between all officials working the tournament. Furthermore, it will be required to have an additional "weight master". Weight masters will be compensated a \$37.50 stipend in addition to all customary fees associated with the approved fee schedule. *Note 2: Tournaments with 1-4 mats shall have 1 more official than the number of mats. Tournaments with 5-7 mats shall have 2 more officials than mats. Incorrect staffing of a tournament according to this format will result in paying the assigned officials an additional fee amount. The amount will be an even distribution of what should have been paid for the correct number of assigned officials.

IV. OTHER ITEMS FOR LEGISLATIVE COUNCIL ACTION:

- A. Tournament Fees - During regular season play, leagues and schools have the option to establish tournament fees with officials' groups unless specified elsewhere in the above fee schedule. Those fees must be stated on contracts sent to officials prior to the tournament.

- B. 1. Mileage - \$.40/mile round trip, zip code to zip code.

Exception:

The Confluence (except Campion); The 5280 (except Gilpin County); The Colorado 7(except Conifer, Fort Lupton, Fort Morgan, Weld Central); The Jefferson County (except Evergreen), Denver, Continental, East Metro, Front Range (except Fort Collins, Loveland, Poudre and Rocky Mountain), Frontier (except Bennett, Clear Creek, Lake County, Middle Park and Platte Canyon), Metropolitan, and Centennial leagues and Broomfield, Denver Academy, and Denver Christian schools will not pay mileage between league cities, but shall pay a mileage travel stipend of \$2 to each official between league cities per day of assignments. Colorado Springs schools shall pay a mileage travel stipend of \$2 per day of assignments to officials selected from the Colorado Springs Officials' Association. An official that is assigned to two or more contests at a given site on the same day shall be paid one travel stipend or reimbursement.

2. Only ONE driver will be paid the mileage reimbursement for each contest. It will be paid to the official on the crew who travels the farthest. Issues with multiple drivers must be solved between the officials and the assignor prior to the game.

3. In lieu of per diem, a rider fee of \$10 is paid to officials, non-drivers only, who are riding on trips of 75 miles or more one-way.

4. It is RECOMMENDED that, during the regular season only, assigners assign officials to a contest whose travel miles to a school is less than or equal to 75 miles round trip, thus resulting in a payment of no more than \$30 for travel. If official travels miles more than 75 miles round trip, the official should be paid at the \$.40/mile rate as listed above unless other arrangements are made with the officials by the school.

INDIVIDUAL MILEAGE BUFFER – Mileage will not be paid to an in cases where the town borders between the official's whose town of residence is 20 miles or closer to and the host school if 20 miles or less. Full mileage (including first 20 miles) will be paid to officials who travel over 20 miles. This does not apply to the metro area officials described above that receive the \$2 travel stipend.

- C. Priorities

When a site or date change occurs, the officials originally assigned should be given the first chance to work the rescheduled game.

D. "No-Show"

1. In all other sports, when one official is a "no-show", the other officials working the contest shall split 50% of the extra check. (Not to exceed 50% of standard fee).

2. Guidelines for "No-Shows"

Officials Associations must have on file with CHSAA a copy of their constitutions, rules, and by-laws that outline their disciplinary procedures for dealing with no shows as well as other CHSAA expectations. Schools should contact the CHSAA office and identify the officials so that the local officials' associations can take action. Leagues and schools are encouraged to develop procedures for use in these situations as well.

E. One Official Worked Contest for Volleyball

A single assigned or single self-assigned official to a contest will receive the posted single game fee. Exception: A Volleyball V/JV solo official shall be paid the single rate game fee and a half. Sophomore/Freshman shall be paid the single rate game fee.

F. Good Faith

When a school has made a good faith effort to contact an official of a postponement or overbooking, no fee shall be paid to any official. That same official shall have the first opportunity to work the canceled contest. When an effort to contact an official of overbooking or cancellation has not been made prior to the time an official has left to work the contest, 50% of standard fee plus any travel allowance due will be paid to an official who shows up to officiate the contest. Once a game or match is started, the official is entitled to the entire game or match fee. If a game is postponed, the same or new officials will be paid an entire game or match fee.

V. **INFORMATIONAL ITEMS:**

- A. Schools and/or their contracted assigners should pay officials within 30 days of the assigned contest. Timely payments are key factor in the retention of officials.
- B. Because studies show that there is a direct correlation between good sporting behavior and the retention of officials, the Officials' Fees Committee values and appreciates the work of the Sportsmanship Committee to address their needs and encourage the CHSAA membership to continue to make reality the philosophy and recommendations of the Sportsmanship Committee.
- C. When a dual wrestling tournament is held and less than the prescribed number of matches is scheduled, schools and officials should negotiate a lesser fee. Please refer to the wrestling fee structure.
- D. A certified track and field official shall be contracted and paid to run a cross country even.
- E. Emphasis: Please note schools, districts, and leagues have the authority to choose to use the minimum number of officials as designated by each sport.
- F. The committee would like to commend the officials' associations for their efforts in regard to the training of new and veteran officials as well as their continued efforts to improve the overall quality of officiating. The assessment and evaluation processes established have generated a positive learning environment within each organization. However, the committee strongly urges the officials' associations to step up their efforts to recruit new officials.

- G. National surveys of high school sport's officiating fees show that most states pay increased game fees for post-season contests. The committee encourages the CHSAA Budget Committee to consider increases for post-season contests in sports that won't impact member school reimbursements.
- H. Emphasis: Prior to a contest, an official does not have the authority to cancel, postpone, or forfeit an event. Officials, coaches, and game administrators should all be involved in these decisions.
- I. Many local area assigners use the Arbiter online software to conduct assigning business. This service is a part of the CHSAA Official Liaison Budget. The CHSAA encourages its use by all member schools.
- J. In an effort to be eco-friendly and cost effective, officials are expected to carpool to assigned contests.

VI. RECOMMENDATIONS:

- A. The Officials' Fees Committee strongly encourages assigners in areas with schools they assign that do not pay a \$2 stipend to develop a plan to pay officials a reduced mileage reimbursement to that is acceptable to both the officials and schools. The reimbursement should not be greater than \$.40/mile but not less than \$.33/mile. The maximum that should be paid for mileage reimbursement is \$150, which is paid for travel 375 miles or more round trip. If there is no stated plan in place in a given area the school(s) shall be \$.40/mile.
- B. When there is any change in the assignment of a contest, the home school or assigner should make every effort to contact the officials. Sports officials' associations must encourage their officials to always communicate travel arrangements with each other prior to each contest.
- C. School coaches and administrators can assist with recruiting new officials. Promote the avocation to your local faculty, players, and student body.
- D. Schools should be thorough in the scheduling of events, prior to the assigning of officials, so not to create the potential for a breach of contract with an assigned officiating crew.
- E. In situations where no officials show up for a contest, school representatives are encouraged to explore as many options as possible to play the contest, including using non-registered officials. All factors must be considered in making the decision to play the contest. Under these circumstances, the decision to play the contest should be by mutual consent of the schools involved. When this happens, the CHSAA should be contacted, prior to the contest if possible.
- F. Although national studies show that three-person basketball crews for varsity games, both boys and girls, result in a better officiated and managed game, they were created to prolong the officiating lives of the many of our very competent officials in the International Association of Approved Basketball Officials, Colorado's basketball officials' association. The game is fast and requires quick movements, stops, and turns that produces wear and tear on the body of the official. Over the long haul of the season, there are less injuries and mental burn-out by officials. Though you may feel that it is an easy way to cut expense, know that a reduction in officials on a game will affect the availability of quality officials.

I. MAJOR CHANGES FROM LAST YEAR'S REPORT:

A. None.

II. RATIONALE:

A. None.

III. FINANCIAL IMPACT:

A. None

IV. DATES:

Rules of Thumb: Thursday & Friday OR Friday & Saturday one week prior to or after Presidents Day

State Race: February 22-23, 2018 – Site Host: Lake County High School

V. SCHOOLS (15):

Aspen	Eagle Valley	Platte Canyon
Battle Mountain	Evergreen	Ridge View Academy
Clear Creek	Lake County	Steamboat Springs
Colorado Rocky Mtn.	Middle Park	Summit
Durango	Nederland	Vail Mountain

VI. INFORMATIONAL ITEMS:

- A. Alpine coaches that submit late or incorrect race entries during the regular season and post season will be responsible for a fine (1st - \$20, 2nd – \$40, 3rd - \$60). This fine must be paid prior to participating at the State Championships.
- B. CHSAA allows the use of single pole GS gates as this aligns with USSA and FIS rules.

- C. In Alpine, DQ's will be listed after both genders have completed their 1st run of the day. Once posted, coaches will have 15 minutes to protest.
- D. Helmets designed and manufactured for the particular discipline of ski racing being contested are required for all competitors and forerunners in all events and official training. Telemark skiers who are racing must comply with the hard sided helmet rule.
- E. Bibs are the responsibility of the participant. If an individual shows up to a race without their bib, they will not be able to participate. If the bib is completely lost, it's up to the school to obtain a permanent replacement for this individual.
- F. If you do not start in the first run (DNS), you do not get a second run. During regular season only, if you were a DQ or DNF, you will be allowed a second run. If you were ejected based on unsportsmanlike behavior during the first run, you will not be allowed a second run, and based on CHSAA Ejection Policies, you will not be allowed to ski at the next race.
- G. (Regular Season & State) If an Alpine skier loses a ski during a run, they are allowed to hike back to the ski, put it on, and finish the race in order to earn team points. The skier must not interfere with another racer and they must not be passed.
- H. Alpine races must be set to regulation specifications and courses set separately for each gender for regular season and state championships.
- I. Modifications were made to the league schedule to eliminate as much travel and lost school times as possible.
- J. The CHSAA Fall League Meeting will be the first Friday in October at Summit High School. This will be used to finalize the regular season schedule and logistics.

Report No.**I. MAJOR CHANGES FROM LAST YEAR'S REPORT:**

- A. The Rating Percentage Index (RPI) will be utilized to capture the State Tournament bracket. The final RPI ranked teams will be listed #1-16 in order on the playoff bracket for all boys' classifications. The girls' classification will be listed in order on the playoff bracket #1-16 for 4A/5A only. The teams listed #17-32 will take geography and first round league opponents into consideration. 3A girls' will be listed in order #1-12 in the final RPI rankings on the playoff bracket. The teams listed #13-24 will take geography and first round league opponents into consideration. 2A girls' qualifying procedures are embedded within the Soccer Report.
- B. The Rating Percentage Index (RPI) that will be utilized to capture the playoff bracket will use percentage of 35% Winning Percentage x 35% Opponents Winning Percentage x 30% Opponents/Opponents Winning Percentage beginning with the 2017-2018 school year.
- C. The first and second round State playoff bracket dates for the 3A Boys' and Girls' have been modified to mirror the dates for 4A/5A beginning with the 2017-2018 school year. (Please see playoff dates)

II. RATIONALE:

- A. Balance and representation on the State Tournament bracket.
- B. The CHSAA Board of Directors issued a policy mandating the use of an RPI (Rating Percentage Index) for postseason qualification in all team sports beginning with the 2016-2017 season in an effort to find more consistency across team sports. The RPI system will capture to playoff bracket girls' teams for 2A (12); 3A (24) teams; 4A/5A (32) teams in competition. The boys' classifications 3A, 4A and 5A will include (32) playoff bracket teams. The committee felt that moving the ranking percentages to 35%/35%/30% would place more emphasis on the teams' winning percentage versus the opponents and opponents/opponents winning percentage.
- C. This will allow the 3A boys' and girls' teams to recover and train between rounds.

III. FINANCIAL IMPACT:

- A. None
- B. None
- C. Depending on travel for the first and second rounds of the playoff bracket.

The seeding committee will be made up of one (1) administrator for each classification. The administrator shall be selected by the league president and nominated to the CHSAA office for approval.

Playoff Qualifying Procedures – Each league/region will receive automatic qualifiers based on the number of teams listed in the league/region. The committee assigned the automatic qualifiers: 1-6 teams listed in a league or region will have one (1) automatic qualifier advancing to the State Tournament bracket; 7 or more teams listed in a league or region will have two (2) automatic qualifiers advancing to the State Tournament bracket. (Excluding Multi Class leagues/region)

In classifications where an automatic qualifier does not appear in the top thirty-two (32) final RPI ranking 2A-(12) teams along with 3A-(24) teams in girls', the automatic qualifier will supersede the final RPI ranking.

RPI ranked teams will be selected by the seeding committee based on the final Rating Percentage Index results that are published on Sunday following the conclusion of the regular season.

Multi-Class Leagues/Regions: Englewood; Fort Lupton; Weld Central; Mullen; Ponderosa; Vista Peak; Durango; Montrose; and Vista Ridge will have the opportunity to qualify for the State Tournament bracket through the final RPI rankings.

What happens if two teams are tied in the final RPI standings?

We have created a tiebreaker for this unlikely scenario. It is as follows:

1. Head-to-head result between the two teams
2. Winning percentage
3. Opponents' winning percentage
4. Opponents' opponents winning percentage
5. Highest-rated win (according to the final RPI standings)
6. Next-highest rated win (exhaust all possibilities)
7. Coin flip

The only reason for the coin flip is as a last result if all other scenarios happen to be tied.

Schools choosing to not play in the post season – Champion Academy (135), Denver Jewish Day School (74), Mile High Academy (62)

Playoff Qualifiers:

- 12-team bracket: 6 automatic qualifiers (1 from each region), plus 6 final RPI ranked teams.
- RPI ranked teams will be selected by a seeding committee at the seeding committee meeting, and will be selected using the final RPI rankings. Geography and potential Regional match-ups will be taken into consideration when placing teams on the bracket #5-12.

Seeding:

- Top 4 teams are seeded (and receive a 1st round bye).
- Teams #5 - #12 are seeded with geography as a consideration.

Schedule:

- 1st Round – Tuesday, May 8, 2018
- Quarterfinals – Friday, May 11, 2018
- Semifinals/Finals –
 - Semifinals – Wednesday, May 16, 2018
 - Finals – *Tuesday, May 22, 2018 (Together with the 3A state final at Dick's Sporting Goods Park)

Prior to the beginning of the girls' season each region will be required to submit proper documentation to the CHSAA office on how automatic qualifiers will be determined.

What happens if two teams are tied in the final RPI standings?

We have created a tiebreaker for this unlikely scenario. It is as follows:

1. Head-to-head result between the two teams
2. Winning percentage
3. Opponents' winning percentage
4. Opponents' opponents winning percentage
5. Highest-rated win (according to the final RPI standings)
6. Next-highest rated win (exhaust all possibilities)
7. Coin flip

The only reason for the coin flip is as a last result if all other scenarios happen to be tied.

The higher seeded team will be the home team throughout and will host the 1st, 2nd and quarterfinal rounds.

The higher seed will be designated as the home team in semi and final matches.

V. QUALIFYING FORMAT AND ASSIGNMENT BY CLASS – (continued):

BOYS' AND GIRLS' SOCCER

For Classes 3A, 4A, and 5A, the results of regular season play will determine qualifiers and respective seeds in the 32-team post-season rounds (2A Girls' 12 teams/3A Girls 24 teams). Leagues or regions may use the results of their 15-match regular season schedule or a system developed and approved by the league/region membership. This qualifying system must be submitted to the CHSAA office by the league or region prior to August 24, 2017(B) and March 8, 2018 (G).

If ties exist within the region/league, either the CHSAA qualifying point system or a tiebreaker developed by the regions/league and submitted to the CHSAA office prior to August 24, 2017 (B) and March 8, 2018 (G) or a regular season game or league Bylaws must be used to break the tie. The committee recommends that each region/league review their tie-breaking procedures prior to the beginning of the season.

In the event a region/league does not file a tiebreaker system, or have it listed in the league Bylaws. The CHSAA universal tiebreaker will be used to break the tie (see CHSAA Constitution and Bylaws).

A playoff (involving 2 or more teams) may be conducted in order to break tie(s) in a region or league. However, IN NO CASE MAY A SCHOOL EXCEED THE 15 MATCH SEASON LIMIT to break a tie in the standings.

Regular season matches must be completed by Saturday, October 21, 2017 for boys. Regular season matches must be completed by Saturday, May 5, 2018 for girls. All 32-team (2A Girls' 12 teams/3A Girls' 24 teams) post-season qualifiers must be determined no later than Saturday, October 21, 2017 for boys; and Saturday, May 5, 2018 for girls. The CHSAA staff can approve alternates dates in extreme situations.

The host school is responsible for MATCH OFFICIALS in all first round matches for the 3A/4A and 5A classifications. In the 3A B/G and 2A Girls' classification the host school is responsible for MATCH OFFICIALS in all first round matches. The CHSAA is responsible for the assignment of MATCH OFFICIALS in the second round of the state tournament to the finals in the 3A/4A and 5A classifications, and from the quarterfinal matches to the state tournament final in the 2A Girls' classification. All boys' & girls' post-season matches are to be played as per the specific bracket dates in each classification. Host schools are responsible for the payment of officials through the quarterfinals matches in each classification.

It is the responsibility of the region/league representative to correctly list the Automatic Qualifiers for each classification and verify that they appear on the tournament bracket.

In the sports of field hockey, lacrosse and soccer, schools hosting contests which are on the state championship bracket in that sport may pay a fee to the CHSAA in lieu of charging admission. Boys Soccer: 3A-\$150, 4A-\$200, 5A-\$200; Girls Soccer: 2A-\$125; 3A-\$150, 4A-\$150, 5A-\$150; Girls Field Hockey-\$50; Girls Lacrosse-\$125; Boys Lacrosse-\$125. This fee will be set by the CHSAA and will be based on an average of the 20% of the gross sent to the CHSAA in previous playoffs in that sport. When paying this fee, hosting schools are still responsible for any travel guarantee due to the opponent, officials' payments and other costs associated with hosting these contests. Pre-approval from CHSAA is required for implementation.

STATE TOURNAMENT

Home Sites

In the 3A, 4A, and 5A classifications the higher seeded team will be the home team throughout the playoff bracket, and will host the 1st round, 2nd round and quarterfinal round matches. The higher seed in all classifications will be designated as the home team in semifinal and final matches.

The higher seeded team will be the home team throughout the playoffs. In the 2A Girls' classification, the top 4 seeded teams will receive a first round bye in the tournament bracket. Teams that are seeded #5-12 shall be seeded utilizing the final RPI rankings with geography and potential regional match-ups as a consideration. The top (8) eight seeded teams in the 3A Girls' classification will receive a first round bye.

It is required by the CHSAA that quarterfinal post-season host sites follow all CHSAA playoff requirements included but not limited to admission and all other amenities of a championship game, including bleacher seating, lighted venue and a secure playing field for players, coaches and officials.

One representative (administrator) for each 2A Girls' and 3A B/G regions/leagues, and 4A and 5A leagues will be assigned to be seated on the seeding committee. The assignments to serve on the seeding committee will be submitted to the CHSAA office by region/league presidents and approved the CHSAA office. Also seated on the committee as non-voting members will be:

- (1) One non-voting representative from the CHSAA office
 - If possible, the committee will attempt not pair teams in the first round that have played each other during the league competition.
 - In 2A Girls', the top 4 teams in the final RPI rankings are seeded and will receive a first round bye. Geography will be a consideration when seeding teams #5-12 using the final RPI rankings.
 - The RPI (Ranking Percentage Index) published the Sunday of the seeding committee meeting will be the primary tool for seeding consideration. Geography and first round match-ups with league opponents will be considered when placing teams' #17-32 on the bracket utilizing the final RPI rankings.

Post Season Dates – Times

CHSAA will establish match dates. It is the desire of the CHSAA that schools **mutually establish** match times that best accommodate the interests of each school and community. Schools must take into account the conditions in which the match will be played and make the best decision to accommodate the schools involved. The CHSAA will not mandate schools to play matches in conditions that are not in the best interest of the schools involved. NOTE: All **mutually established** match times are subject to final approval by the CHSAA office as needed. When mutual agreement for the match time cannot be reached, the following statements will apply:

- a. When post-season matches are to be played on a Saturday, 1:00 or 3:00 p.m. is the preferred scheduled times; when post-season matches are to be played on a weekday, 3:30 p.m. or 4:00 p.m. are preferred times and for non-lighted fields. The preferred time is 6:00 p.m. for lighted fields. **Following the completion of the first round, host sites must set match times at 1:00 p.m. for non-lighted fields. (Daylight Savings Time)**
- b. The Commissioner shall have the sole province to designate match times and sites, including when a school district is hosting more than one match. Conflicts, which could have a venue, academic or financial impact on the match, will be considered.

- c. All schools, both home and visitor, will be provided the opportunity to supply input in the match time scheduling process.
- d. The CHSAA post-season calendar will be adhered to when match conditions permit. When available, host schools shall attempt locate an artificial turf site that will be as an alternative to stay on schedule.

VI. INFORMATIONAL ITEMS:

- A. The committee commended the CHSAA staff, the Englewood School District and staff, along with Denver Public School; Douglas County School District; Cherry Creek School District; and Dick's Sporting Goods Park management, for their work as hosts of the boys' and girls' semifinal and final matches.
- B. An Automatic Qualifier that is not ranked in the final Rating Percentage Index - 2A Girls' (1-12); 3A Girls' (1-24); or 4A/5A Girls'/Boys' (1-32) will be placed on the bracket and the lowest ranked team on the final RPI rankings will be deleted from the playoff bracket.
- C. In the event that two teams have the same RPI in the final standings, the following tiebreakers shall be used:
 - Head-to-head competition
 - Winning percentage
 - Opponents' winning percentage
 - Opponents' opponents' winning percentage
 - Highest-rated win against a team in the final RPI standings
 - Next-highest rated win until the tie is broken
 - Coin flip
- D. The HSSO President Bill Gessner informed the committee that HSSO was down 35 people which puts the organization under 400 officials. Reasons seem to be people retiring or more moving out of state. The impact of fewer officials is there has been more trouble covering Tuesday/Thursday matches and more varsity games with only 2 officials per game. Gessner, explained to the committee that competition on Saturday's are harder due to pay of HS officials versus college & club pay. HSSO is continuing their efforts to recruit but officials have been harder to keep due to competition with the clubs & college games. Again for the second year the officials were selected for the post season using a weighted voting system, which is working better than in previous years. Ozzello, CHSAA, stated that this is across all sports and would like to see classes offered at the high school for recruitment. This would help with official development and recruitment for all sports. Classes are already being offered at the college level with multi-sport class curriculums. Gessner voiced to the committee the importance of not scheduling non HSSO officials for the safety of the school, official and students. Becker, Heritage HS, was concerned about the lower levels and the safety of the game.
A better distribution of games throughout the week is something that is requested from Gessner and HSSO officials. There was talk among committee members about if it was possible to schedule games by conferences and what days they play during the week. Ozzello, CHSAA, stated these were the biggest challenges that HSSO and CHSAA face from year to year.

- E. CHSSCA Report – Dan Watkins (CHSSCA President) Watkins, informed the committee that between 35 & 40 coaches were at the CHSSCA meeting. He was very pleased with state officials and venues during the playoffs and state championship games. Committee was informed and committee congratulations to Jim Davidson (Broomfield HS) who was named National Coach of the Year and will be coaching in the National All American game.

RPI was a topic of discussion during the meeting, and the majority of the coaches thought that RPI did a pretty good job in overall ranking and making sure the right teams were in the playoffs. All-in-All the current percentages worked out as they should. The members of the CHSSCA liked that competition was factored into the overall games. Only concerns were about the changing of spots from day to day. Watkins stated that he tried to help coaches through the process and asked them to be patient through the end of the season to see how the numbers fell. Overall, coaches liked the RPI but feels it will need a few more seasons to make its validity. Watkins and the CHSSCA asked that maybe one coach from each classification be represented on the advisory committee to offer a voice and continue conversation. The committee was informed that the relationship between the CHSSCA and HSSO has improved and he hopes that it only gets better with continued effort by both organizations. By in large all coaches were pleased with how the boys season went. Ozzello, CHSAA, thanked Watkins for being supportive and instrumental in the starting of RPI along with Brett Williams, Mitchell HS.

- F. The agenda for the 2017-2018 Soccer Committee will include the discussion to alternate the Championship playoff dates with 2A/3A possibly playing on Wednesday night and 4A/5A possibly playing on Thursday night.

<i>**Classified by the CLOC Committee as a 3A team</i>		

The Regional Tournament will be scheduled for Saturday, October 14, 2017. The number of 3A Regional qualifying teams will be a total of twenty-four (24) teams. The qualifiers for the Regional Tournament will be: Five (5) Regular Season District Champions; five (5) Regular Season District Runner-up teams*; fourteen (14) ** RPI teams for a total of 24 total teams. All Regular Season District Champions (5) plus (3) RPI teams^ will serve as host sites for the Regional Tournament.

*District #4 Runner-up will only automatically qualify if there are six or more teams in that district.

**There may be fifteen (15) RPI qualifiers depending on District #4 qualifiers.

^The three RPI hosts will be selected based on the final Rating Percentage Index rankings.

- A. -The two Colorado 7 league schools may qualify into the Regional Tournament if they are ranked in the top 24 of the final Rating Percentage Index. An automatic qualifier not ranked in the top 24 may bump a top 24 RPI ranked team from the bracket. Note: Teams that participate in a Multi-Class District/League may earn an automatic berth on the playoff bracket by placing first in their district/league.

The higher seeded team will be the home team throughout the Regional Tournament. The Regional Tournament host sites must have one adequate field with a fence at a dimension of the NFHS recommended 200-220 feet.

1. The District Champion will be the host team, but is not guaranteed the highest seed in the Region; teams will be seeded using the following criteria in no particular order; RPI, geography, league finish, strength of schedule and overall record. The seeding committee can move up or down district champions in order to be a top 12 seeded team. The committee can also move teams up or down to help with geography or competitive balance for the Regional Tournament.
2. District Champions will be guaranteed a top 12 seed in the Regional Tournament in order to host.
3. Two teams from each regional will qualify for the State Tournament field of sixteen (16).
4. Regional Champions are guaranteed a top 8 seed at the State Tournament; the state tournament will be re-seeded following the completion of the Regional Tournament. The committee will use the same criteria as regional seeding. Committee may also move teams up or down to attempt to avoid playing the same team from the Regional Tournament in the first round of the state tournament.
5. Teams must play a minimum of 17 regular season games to be considered for Regional play. Inclement weather or catastrophe will be viewed as a reason not to be able to complete the required 17 game varsity schedule.

What happens if two teams are tied in the final RPI standings?

We have created a tiebreaker for this unlikely scenario. It is as follows:

1. Head-to-head result between the two teams
2. Winning percentage
3. Opponents' winning percentage
4. Opponents' opponents winning percentage
5. Highest-rated win (according to the final RPI standings)
6. Next-highest rated win (exhaust all possibilities)
7. Coin flip

The only reason for the coin flip is as a last result if all other scenarios happen to be tied.

2017 3A REGIONAL BRACKET – October 14, 2017

1. The Regional Champions (8) are guaranteed to receive a seed of numbers 1 through 8 for the State Tournament.
2. Preferred Game times for Regional Bracket: Use of 1 field for play.

Game #1-10:00am Game #2-12:15pm Game #3-2:30pm (If Game)

3. The "If Game" (Game #3) will only be played if the higher seeded team "Seeds 1, 2, 3, 4, 5, 6, 7, and 8" loses game #2. The winner of game #2 and game #3 will then be the state qualifiers.
4. If the higher seeded team "Seeds 1, 2, 3, 4, 5, 6, 7, 8" wins game #2, game #3 will not be played and the two participants in game #2 will be the state qualifiers.

The higher seeded team on the regional/state bracket will be the "home team" and have the last at-bat for the tournament games. The higher seed team "home team" shall occupy the third base dugout.

2017 3A STATE SOFTBALL TOURNAMENT

- All times are approximate
- **Note:** The higher seeded team on the Regional/State bracket will be the “home team” and last at bat for all tournament games. The higher seeded team or “home team” shall occupy the third base dugout.

**Classified by the CLOC Committee as a 4A team			

The seeding committee will be made up of one (1) administrator from each 4A league. The administrator shall be selected by the league president and nominated to the CHSAA office for approval.

In the 4A classification, leagues listed with 2-5 teams will receive one (1) automatic qualifier to the Regional Tournament bracket and leagues listed with 6 or more teams will receive two (2) automatic qualifiers to the Regional Tournament Bracket. Vista Ridge being the only team in their league (5A) will

have the opportunity to qualify for the Regional Bracket through the final RPI ranking. The automatic qualifying numbers will be listed below the league name in the bulletin.

Multi-Class League Qualifiers – (Mullen, Ponderosa and Vista Peak) a team participating in a league play during the regular season in a higher classification can receive an automatic qualifying bid if they finish in the top 30% + 1 of the teams listed in the league. An RPI Bid for Multi-Class Leagues can be selected by the seeding meeting utilizing the final RPI rankings. The seeding committee will utilize the same criteria listed for the tournament selection below. If a 4A team is awarded first place in a 5A Multi-Class League, the 4A team shall be placed on the 4A bracket (automatic qualifier) and the 5A league will receive the number of automatic qualifiers listed in the Softball Bulletin.

The Regional Tournament seeding committee shall select and place teams on the 4A bracket by establishing the teams and the bracket seeding based on the following criteria:

- 4A Automatic Qualifiers - 16 (sixteen) Automatic Qualifiers with 16 (sixteen) RPI Bids to be determined by the seeding committee utilizing the final Rating Percentage Index.
- RPI teams will be selected using Final RPI Rankings. Teams will be selected and placed on the tournament bracket by the seeding committee during the Seeding Committee Meeting on Monday, October 9, 2017.
- The RPI ranking system will be utilized by the seeding committee as the data tool for the purpose of selecting the playoff bracket teams.
- The final RPI teams listed #1-16 will be seeded on the playoff bracket as they are listed in the rankings for the 4A/5A classification. The seeding committee will review the teams listed #17-32 and can adjust teams taking geography and potential league match-ups in the first round of Regional play.
- In classifications where an automatic qualifier does not appear in the top thirty-two (32) final RPI ranking, the automatic qualifier will supersede the final RPI ranking.
- The committee will utilize geography as a consideration in the placing teams on the bracket for regional play.
- The final RPI rankings published on the Monday of the seeding committee meeting will be the primary seeding consideration.

2017 STATE SOFTBALL BRACKET PAIRING

Following the conclusion of the 4A/5A Regional Tournament, the State Tournament Bracket seeding will be determined by the committee through assigning teams on the bracket based on the following criteria:

- Regional Champions will be seeded on the State Tournament Bracket as #1-8.
- If the top (8) eight seeded teams win their Regional Tournament, no changes would be made to the original bracket for teams listed as numbers 1 - 8.
- State qualifiers from each region should not be paired together during first round play.
- If an upset occurred that involved a top (8) eight seeded team, the upset would create the original top (8) seeded team to be placed at a seed from number 9-12.

The seeding committee will place the teams on the State Tournament Bracket on Monday, October 16, 2017

Class 4A Regional Softball Brackets – Saturday, October 14, 2017

The seeding committee will place the teams on the State Tournament Bracket on Monday, October 16,

Class 5A Regional Softball Brackets – Saturday, October 14, 2017

Regional Game Times - Games 1 and 2 will be played at 10:00 am; Games 3 and 4 at 12:15 pm; Game 5 at 2:30 pm

2017 5A STATE SOFTBALL TOURNAMENT

- All times are approximate
- **Note:** The higher seeded team on the Regional/State bracket will be the “home team” and last at bat for all tournament games. The higher seeded team or “home team” shall occupy the third base dugout.

V. POLICIES (ALL CLASSES):

- A. National Federation uniform rules are in effect throughout the regular season, along with the regional and state tournaments.
- B. The 10-run rule (15 after 4, 20 after 3) will be in effect for all tournament games during the regular season, the regional tournament, and the state tournament.

If a team has a 10-run lead, **following the completion of 5 innings**, no new inning will begin and the game will be declared official. (Example: Team A - 22 runs, Team B - 2 runs, 3rd inning, game over. If the home team is behind then the inning must be completed).

If a team has a 10-run lead and the **losing team has batted 5 times** the game will be declared official.

- C. Should inclement weather or darkness postpone regional or state tournament play, the first available date, **including Sunday**, will be used for continuation of play. Suspended Game: A halted or suspended game is a game that is temporarily suspended by the umpire with the intent that it will be continued at a later time or date. Colorado has adopted the suspended game procedure for regular and post-season games; the game shall be resumed from the point of suspension.
- D. The 4A, 5A regional tournaments are a modified double elimination. The state tournament for the 3A/4A and 5A classifications is a single elimination tournament. Class 3A regional tournament (24 teams) will provide 16 qualifiers to the state tournament. Classes 4A and 5A will qualify 32 teams to the regional tournament on Saturday, October 14, 2017, with 16 advancing to the state tournament. The regional tournament brackets will be seeded by the tournament seeding committee on Monday, October 9, 2017. The 16 teams qualifying for the state tournament in the 4A and 5A classifications along with 16 teams qualifying in the 3A classification will be re-seeded using the seeding criteria listed in the Softball Bulletin on Monday, October 16, 2017, for the state tournament. NOTE: Those schools that play host to the Regional Tournaments in 3A/4A and 5A will have the financial obligations including (but not limited to): Umpires; rental of facilities; site workers; One (1) dozen Wilson A9011 game balls; security and insurance.
- E. The seeding committee will be made up of one (1) administrator from each district (3A) or League (4A/5A). The administrator shall be selected by the District/League president and nominated to the CHSAA office for approval. The softball committee also determined the higher seeded team on the Regional through the State Championship bracket game will be referred to as the "home team" and will have the last at bat. The "home team" will occupy the third base dugout.
- F. The Regional Tournament will be scheduled for Saturday, October 14, 2017. The number of 3A Regional qualifying teams are listed within the report as twenty-four (24) along with 4A/5A Regional qualifying teams are thirty-two (32).

4A/5A REGIONAL HOST SITE CRITERIA

- **Tier 1 – Recreational City/Parks Complex** – A complex that follows the bulletin playoff host responsibilities criteria and is approved by the CHSAA Office.
- **Tier 2 – School District Complex** – A complex that follows the bulletin playoff host responsibilities criteria and is approved by the CHSAA Office.
- **Tier 3 – School Complex** – A complex that meets the criteria of a sports complex and follows bulletin playoff host responsibilities criteria and is in close proximity and is approved by the CHSAA Office will be considered at a final resort.

Host schools must begin at Tier 1, if not accessible then move to Tier 2, if no School District Complex is available, move to Tier 3. Schools must follow the criteria written by the softball committee in order to be named a Regional Host Site. All steps must be approved by the CHSAA Office on/before Tuesday, October 10, 2017.

The following criteria must be met in order to host a 4A or 5A Regional Tournament.

- The site must have two (2) fields for play
 - The site must be able to charge a gate admission
 - **One (1) dozen Wilson A9011 game balls must be provided by the host school and one (1) dozen game balls will be provided by CHSAA.**
 - The outfield fence on both fields should be set at the NFHS recommended 200 220 ft. (Exceptions can be made if necessary, CHSAA Office approval required)
 - The host site must have all game related materials submitted to the CHSAA Office on Monday, October 9, 2017.
 - Game times for Regional Tournaments remain: 10:00; 12:15; and 2:30.
- A. The Wilson Optic Yellow Softball A9011 is the official ball and will be used at all levels of the Regional and State Playoff Bracket.
- B. End of regular season – The committee recommends that the regular season schedule will reflect that all games should be completed by Thursday prior to the “End of the Regular Season” date listed on the CHSAA Sports Calendar. This will enable teams the opportunity to complete regular season scheduled play with postponements due to inclement weather.
- C. The Rating Percentage Index (RPI) Rankings will be published the Monday of the seeding committee meeting. This tool will be the primary seeding consideration.

- D. In the event that two teams have the same RPI in the final standings, the following tiebreakers shall be used:
- Head-to-head competition
 - Winning percentage
 - Opponents' winning percentage
 - Opponents' opponents' winning percentage
 - Highest-rated win against a team in the final RPI standings
 - Next-highest rated win until the tie is broken
 - Coin flip

VI. INFORMATIONAL ITEMS:

- A. The committee recommended the following state association adoption: The International Tie Breaker may be implemented, at the site director's discretion, for sub-varsity tournaments after the 8th inning or after the established time limit has expired. Note: This recommendation is for sub-varsity tournament use only. A double first base is not permitted. Speed up rule is in place during the regular and post-season play (10 runs after 5 innings; 15-runs after 4 innings and 20-runs after 3 innings). Protests are not allowed as listed in the NFHS Rules Book. Once the game begins, the umpire along with the site manager will determine if the weather or ground conditions are unfit/fit for play. After 30 minutes, the umpire may declare the game suspended. The suspended game will resume and continue from the point of interruption.
- B. CHSSUA President – Bryan Brown, CHSSUA President Elect addressed the committee and informed them that the association gained 36 new umpires, however the association lost 60 working umpires in the past year. Reasons for the decline include work commitments and umpires that have retired due to age. The CHSSUA is not bringing in enough new umpires and will focus on the recruitment of new umpires in the next year. The CHSSUA is planning on setting up a booth at the State Tournament to recruit and inform people that are interested in becoming involved in officiating games. Brown stated that the CHSSUA will encourage all coaches to complete evaluations, as the input could be utilized during the selection of playoff officials. One goal for CHSSUA will be that every umpire distributes a sportsmanship card at the plate meeting prior to each game. Brown also requested that schools have appropriate facilities for umpires to dress for games. The committee also discussed other ways to recruit new umpires through offering classes in the high school physical education curriculum. Softball Rules Interpreter Glenda Bates offered solutions to sub-varsity scheduling mini-tournaments to on Saturdays to elevate the stress to have umpires assigned during the work week.
- C. CCGS President Khara West – President West sent a printed report from CCGS because she was unable to attend the committee meeting. Eighty-two athletes were showcased in games on November 6, 2016 at Christopher Fields. West reported the challenges that CCGS face include: coaches present at the selection meeting; coaches not distributing materials to athletes in a timely fashion following the selection meeting; conflicts with travel-club teams; administrators submitting ballots as a point person will need to be identified for each league.

VII. COMMITTEE MEMBERS:

In debate, all CX and PF teams and LD debaters with a 4-0 and 3-1 record at regional qualifying events will qualify to state. No alternates for state in debate events will be selected.

VI. INFORMATIONAL ITEMS:

- A. The annual Speech Coaches Conference (Symposium) is scheduled to begin August 24, 2017 and will be hosted by Cherry Creek High School. The NSDA has proposed and the committee has recommended moving forward with linking the Colorado Coaches Conference to the inaugural NSDA meeting. The time for the event and scheduling will be discussed later spring 2017. A Colorado sub-committee will take a leadership role in scheduling for the conference and a meeting will take place for development.
- B. Holy Family has been moved from Region II to Region I for State Qualifying.
- C. The Speech and Debate Committee voted to run Program Oral Interpretation and Informative Speaking in Wave B of the Regional and State Tournament.
- D. A sub-committee will be charged with reviewing ballots. Any changes will be submitted to the CHSAA office.
- E. Rules clarifications will make more explicit that students cannot perform with the same source in more than one event, the script requirements in Program Oral Interp and the requirements for visual aids in Informative Speaking.

VII. INFORMATIONAL ITEMS:

- A. Teams may move participants from the JV team to the Varsity to fill a void. Example: Injury, sickness, discipline, eligibility, etc. Prior to each competition, including state, rosters would need to be set by dates provided by the CHSAA. Each athlete may only participate at one level within the competitions.
- B. The spirit committee will continue to evaluate the shift and movement in divisions and will discuss combining or splitting based on consistency and recommendations, as well as, other divisions and consider the possibility of splitting when determined necessary by the committee.
- C. The CHSCA Spirit Clinic is mandatory for all 1st/2nd year coaches and anyone that has not yet met the coaches safety requirements. Attendance of ALL sessions is required for approval of requirement. Failure to meet this requirement will result in the coach not being allowed to participate at state.
- D. Committee will look at roster minimums and limits for the next cycle in all divisions.

VIII. COMMITTEE MEMBERS:

ADM 6

Report No.

I. MAJOR CHANGES/RECOMMENDATIONS:

- a. The 2016-2017 Theme of the Year is "Who Do You Represent". What does the name on the jersey mean to you? Challenge students to Be Better.
- b. Boulder High School's Casey Conroy and University High 's Nathan Sullivan were CHSAA State Representative present at the committee meeting. They agreed to assist with the implementation of the Golden Megaphone activity where school cheer sections compete for recognition; They also agreed to assist with promoting the message of the Positive Coaching Alliance Dare to Chill project. Casey and Nathan will work with their individual schools to host a Positive Coaching Alliance Seminar.
- c. The Tri-Valley after a couple of years of hosting Positive Coaching Alliance Seminars, has created its own local seminar run by its students and administrators
- d. The YWKC will ask student-athletes to read a sportsmanship message to the fans before their competitions.
- e. The Intermountain League schedules meetings with its athletic directors before, during, and after each season to compare notes on its league sportsmanship.
- f. The NFHS Learn site, www.nfhslearn.org, has free sportsmanship videos to share coaches and players.

II. COMMITTEE INFORMATIONAL ITEMS/NOTES:

- A. The students attending a seminar report that they feel officials never show any favoritism, parents should only stand up and cheer for their student-athletes and nothing more, coaches should model good behavior and teach life lessons, and student-athletes should respect the game and themselves.
- B. Schools will be rewarded for good sportsmanship. Displays of acts of good sportsmanship are to be shared with the CHSAA office. Certificates are available.
- C. The list of acceptable and unacceptable behaviors are outlined in the Game Management and Sportsmanship Expectation Guide. Member schools are encouraged to review these behaviors prior to every sport season. The following items have been added to the Game Management Guide:
- D. CHSAA member schools "We Cheer For Our Team and Not Against Our Opponent" and "We Respect the Game" are official CHSAA sportsmanship messages.
- E. The online officials' and schools' evaluations and voting are designed to make both coaches and officials accountable. It is important that all parties participate in these activities.
- F. Over 210 schools are participating in the Banner Attachment Program for the next four years.

COMMITTEE MEMBERS:

Chairperson – Carl Lindauer, Las Animas; Matt Kastner, Bethune; Rob Berry, St. Vrain SD; Josh Trahan, Alamosa; Rick Logan, Mountain View; Michael Green, Skyline.

* In order to qualify under the 6-dive standard, the diver must meet the qualifying standard two times during the season.

** In order to qualify under the 11-dive standard, the diver must meet the qualifying standard only once during the season.

% Denotes change in qualification standards.

Note: The diving DD (Degree of Difficulty) refers only to the OPTIONAL dives. (The sum of the 5 optional dives in a 6-dive meet or the sum of the 6 optional dives in an 11-dive meet.)

Note: At state, all divers will perform five (5) dives. The diving cut (reducing the field) will occur after the preliminary rounds, to twenty (20) competitors.

Note: All divers competing in the state meet must have at least the required optional DD as listed in the chart above for their classification on their diving score sheet at the state meet.

Note: If a school has more than four (4) swimmers or divers who qualify for the finals, the additional athletes who have qualified but who do not have one of the top 4 times on their team will not be listed as one of the alternates in the event and will not be able to move into the finals heat(s) even if a competitor drops out. Only the top four swims from the preliminary competition from each team are eligible to advance to the finals competition. No substitutes will be allowed.

VII. **INFORMATIONAL ITEMS:**

All swimmers and divers must compete in a minimum of four (4) high school meets, excluding league or conference championship, in order to be eligible to compete at the state championships.

State Entries will be submitted online and verified by MaxPreps, the official State Qualifying Database. All entries are final after the deadline.

3-2-2 Schools may enter their relay teams with eight individual names for championship meets.

Committee Recommendation: State Association Adoption of NF Playing Rules:

3-1-1 In CHSAA State Championships meets, each team shall be permitted unlimited entries in individual events and one entry in the relay events. Individual and relay entries must meet the qualification standard with only four individuals from each team being eligible to advance past the preliminary round. The individual entry rule shall be followed.

5-1-1 Events may only be modified for non-varsity and invitational competition.

A. Modification of J.V. Events – Dual Meets Only

1. 200 IM modified to 100 IM
2. 100 Butterfly, modified to 50 Fly
3. *100 Backstroke, modified to 50 Back (NEW)*
4. *100 Breaststroke, modified to 50 Breast (NEW)*
5. *6 Round Dives, modified to 3 Dives (NEW)*
 - Mutual consent by both coaches prior to the meet.
 - Notification to official if more than four J.V. events.

B. Modification—Invitationals may be modified to add or drop events and order of events.

VIII. COMMITTEE MEMBERS:

Sharon Lauer, Discovery Canyon, Chair; Steve Carpenter, Cherokee Trail; Greg Gotchey, Chaparral; Marla Lanham, Pueblo Central; Grant Robinson, Cherry Creek; D. Ray Craft, Denver East; Mandy Schneider, Windsor; Aly Brinkema, Holyoke; Roy Chaney, Manitou Springs; Nicole Vanderpoel, Rock Canyon.

CHSAA LEGISLATIVE COUNCIL COMMITTEE REPORT January 26, 2017

TENNIS

Ed Anderson, Chaparral High School
Chair

ATH 15
Report No.

I. **MAJOR CHANGES FROM LAST YEAR'S REPORT:**

- A. 2017 Girls' Regionals and 2017 Boys' Regionals reviewed and finalized

II. **RATIONALE:**

- A. Annual review

III. **FINANCIAL IMPACT:**

- A. None

IV. **NOTES:**

- A. The CHSAA Lineup Evaluation Committee Protocol:
 - a. A formal complaint about the same high school team must be made by two separate athletic directors to the CHSAA office.
 - b. The CHSAA will then send a letter to the school in question alerting them to this complaint, and the CHSAA will request documentation from challenge matches.
 - c. A committee of three members (from the CHSAA Tennis Committee) will go out within a short timeframe to evaluate the player(s) in question during a match.
 - d. If the committee feels that blatant stacking is happening, the school must correct their lineup for the next match and the rest of the season, or the head coach will go on Restriction with the CHSAA and that position cannot participate in regionals or qualify for state.
- B. Girls' regional tennis hosts should avoid scheduling on highly participated IB testing days, when possible.
- C. In order to maintain a fair and consistent tryout process, schools may only begin formal challenge matches for team line-ups beginning on the first formal practice dates. Players may be encouraged to practice in the off season, but any individual match results may only be used as a guide. Per the ethics rule, official challenge matches must still occur and be formally documented during the tryout process.
- D. **NEW: Unacceptable formats for challenge matches include: tiebreakers, groundstroke games, and flipping a coin. Coaches must create a fair and equitable tryout process for all participants.**
- E. 5A - When scheduling matches, the committee highly recommends not waiting until the last day of league play (Thursday) due to potential weather rescheduling. Please build a buffer into your schedule.
- F. **NEW:** Regional Tournaments may not start earlier than Wednesday during Regional tournament week.

VII. INFORMATIONAL ITEMS

- A. The Tennis Committee will meet the Monday before the state tournament to bracket each of the seven positions. No outside coaches are allowed to attend. In order to gain feedback from coaches across the state, the CHSAA will create an official online State Tennis Poll for the coaches to voice their opinions and feedback regarding the best teams/individuals in state. This poll will happen the Sunday following regionals.

The bracket creation process is as follows:

1. All 16 individuals/teams will be considered for placement on the draw.
 2. The top four individuals/teams will be placed.
 3. The remaining regional winners (#1's) will be randomly drawn for places on the draw.
 4. The committee shall consider the following factors (in no particular order of importance): strength of league, overall record, strength of competition, head-to-head competition and common opponents.
 5. The regional finishers (#2's) will then be randomly drawn for matches against a regional winner.
 6. All regional winners will be paired against a regional finisher.
 7. No two teams or individuals from the same region will play each other during the first round of the state championship.
- B. The committee recommends that the following state sites are used: 5A – Gates Tennis Center, 4A – Pueblo City Park, 3A – Centennial Park in Greeley

- VIII. STATE DRAWS** – Only those teams who have four or more positions appearing on the state brackets are eligible for the state team championship title and/or runner-up title.

IX. COMMITTEE MEMBERS:

TOURNAMENT AND PLAYOFF FINANCE

CHSAA LEGISLATIVE COUNCIL COMMITTEE REPORT FORM

April 20, 2017

TOURNAMENT AND PLAYOFF FINANCE

Dave Walck, Grand Valley

Chair

ADM 7

Report No.

I. MAJOR CHANGES FROM LAST YEAR'S REPORT:

- A. Reviewed by sport the option to pay a per game fee rather than charge admission.
 - 1. Increased Field Hockey to \$115 per game fee.
 - 2. Added 2A Boy's Soccer - \$150 per game fee
 - Added 2A Girl's Soccer - \$125 per game fee
- B. The Tournament and Playoff Finance Report was rearranged to follow the order of financial reports.

II. RATIONALE:

- A. Created consistency and clarity around this option for schools that choose to opt out of charging admission.
 - 1. Reflects the average gate revenue for playoff contests in this sport.
 - 2. With the addition of 2A Soccer, fees were added that are closely aligned with the 3A per game fees.
- B. Created a more user friendly document for schools to follow when filling out financial reports.

III. FINANCIAL IMPACT:

- A. None. Schools may always opt to charge admission.
- B. None

IV. PURPOSE/MISSION STATEMENT:

Tournament and Playoff Finance (T&PF) exists to maximize funding opportunities through gate revenues during CHSAA post season contests. One-third of the CHSAA operating budget is reliant on this income. Additionally, T&PF funds are collected through a revenue sharing model with the intent to offset travel and host school expenses through participation in the post season.

The use of premier venues for CHSAA culminating championship events incurs greater expenses to facilitate these events. As venues increase their fees, the T&PF must also adjust the fee structure in order to continue providing opportunities at these premier venues. Without this revenue, funding would have to be charged back to schools in the form of higher dues, participation fees or other means in order to generate funding to operate the association.

V. TOURNAMENT DIRECTOR RESPONSIBILITIES:

As a host of a post season game or tournament, it is important to understand your responsibilities. Below is an overview of these responsibilities.

- A. What you are hosting
 - Head-to-head Game
 - Hosting one game against one other team
 - Multi-Team / Tournament
 - Hosting multiple games, a quadrant of games or a district/regional tournament over one or multiple days.
 - Football/4A Great 8 Basketball
- B. Ticket Prices/Gate Admissions
 - The host is expected to charge a gate.
 - Tickets prices vary from sport-to-sport and from round-to-round.
 - Select sports are exempt from charging a gate, but will be charged a fee in lieu of gate admission when approved by the Commissioner.
 - Select sports include - district baseball, field hockey, boys'/girls' lacrosse, boys'/girls' soccer, regional softball
- C. Officials
 - Normally, CHSAA will assign officials for all post season play.
 - Amounts for officials pay can be found in the Arbiter.
 - The host is responsible for paying officials for all rounds.
- D. Visiting Team(s) Reimbursement
 - Reimbursement includes
 - Mileage, meals & hotel
 - Round trip mileage will determine if the visiting team will receive reimbursement for travel, meals and/or hotel. See reimbursement section for more details.
 - Head-to-head & Football
 - The host is responsible for figuring & paying visiting team reimbursements even if a deficit was incurred
 - If no gate was taken, the host is still responsible for figuring & paying visiting team reimbursements
 - Multi-team/Tournament
 - The host is responsible for figuring & paying all visiting team's reimbursements. Some exceptions apply; See reimbursement section for exceptions
- E. Additional Expenses
 - Police/Security - This is the only allowable expense a host can record on the reporting form for all sports except for football only when CHSAA approves.
 - Awards - The host is responsible for paying the cost of district/regional awards

CHSAA Playoff reporting form and monies should be submitted to the CHSAA office within ten (10) business days following the conclusion of the event.

NOTE – All visiting schools MUST receive a copy of the report for their records.

NOTE - In order to defray expenses, the host school shall consider all ways to decrease costs. The use of volunteers (parent, booster or student organizations) is encouraged. Only absolute and necessary workers should be hired. Hospitality should be limited and the numbers of officials should be hired as directed by the Legislative Council.

VI. FACILITIES:

- A. If a district or regional **elects** to use a rented facility, the cost for the rental must have prior approval by the CHSAA Commissioner and a majority of teams in the district or regional. The rental cost is then incurred by the host school or if prior agreed upon by a majority of teams involved, this cost can be shared by all schools.
- B. If a district or regional hosted by a school is required to use a rented facility, the cost for the rental is shared by all schools in the district/regional and is not included in the 20% host expense.
- C. Great 8 and beyond when choosing to use a facility that charges a set amount for expenses, but not owned by a school district, the Commissioner may approve the participating school(s) to pay for additional expenses, with prior approval.

VII. ADEQUATE FACILITIES ARRANGEMENTS:

In the playoffs, the Commissioner has the authority to select the site based on the adequacy of the seating, field conditions, court size, etc. Football host teams must have approval.

VIII. ADMISSIONS:

Gate Collected

- A. Minimum prices have been established for all playoff games (all classes of schools and at all levels of playoffs.)
- B. Minimum ticket prices will be sent to you in a separate attachment well in advance of the event.
- C. All changes to prices need prior approval by CHSAA commissioner and must be reported accordingly on financial report.
- D. Admission prices for State Final events, including football playoffs, are established by the CHSAA Board of Directors.
- E. The age at which senior citizen rates apply is 60.

- F. Exception to the required minimum admission prices (in case of extenuating circumstances) may be appealed to the CHSAA Commissioner and/or the Board of Directors. Note, past experience has shown public relations are enhanced if people are paying the same price for the same type of game at each location.

No Gate Collected: Select Sports

- A. A school hosting a contest on the state championship bracket may opt to pay a set per game fee to CHSAA in lieu of charging admission. When paying this fee, hosting schools are still responsible for any travel guarantee due to the opponent, officials' payments and other costs associated with hosting these contests. Pre-approval from CHSAA is required for implementation.

*This is a per game fee when hosting multiple games at one site. Fees are collected for each game. Approved for the 2017-2018 school year.

SPORT	Class	Fee
Baseball Districts	3A, 4A, 5A	\$100.00
Field Hockey		\$115
Boys' Lacrosse		\$150.00
Girls' Lacrosse		\$125
Boys' Soccer	2A, 3A	\$150.00
	4A, 5A	\$200.00
Girls' Soccer	2A	\$125.00
	3A, 4A, 5A	\$150.00
Softball Regional	3A, 4A, 5A	\$100.00

IX. OFFICIALS' EXPENSES:

- A. Officials will be assigned by the CHSAA for all post season play. These assignments can be found in the Arbiter.
- B. Mileage – 40¢ per mile – Mileage for metro areas will be \$2.00 per day. Travel mileage for all play-offs will be calculated by Arbiter using zip code to zip code.
- Only one driver will be paid for each contest. This will be paid to the official on the crew who travels the furthest. Issues with multiple drivers must be solved between the officials and the assignor prior to the game.
 - In lieu of per diem, a rider fee of \$10 is paid to officials, non-drivers only, who are riding on trips of 75 miles or more one-way.
 - A hotel allowance of \$40 is paid to any official traveling over 50 miles one way (100 miles round trip) only while officiating a multi-day tournament.
- C. When the CHSAA office is responsible for paying mileage to state events, the Board of Directors will determine the amount paid.

X. VISITING TEAM(S) REIMBURSEMENTS: (Travel, Meals, Hotel)

The host of any post season game/tournament is responsible for figuring visiting team(s) reimbursements. These reimbursements are NOT intended to cover 100% of visiting team actual expenses, but help offset any expenses incurred. This reimbursement is guaranteed to the visiting team(s) unless all participating teams agree to no reimbursement prior to the game/tournament.

Head-to-Head Guarantee

- A. If two teams are in a playoff and the host school will not guarantee expenses of the team designated to travel and that team will guarantee the expenses of the designated host school, then the site shall be reversed, and the host team will be required to travel. (Note: In either case, the school originally assigned the host role, will retain that status for the purpose of charged home contests and coin flips.)
- B. If neither team will guarantee the expenses, the game will be played at the designated site as assigned by CHSAA and both teams will share in the deficit. The school originally determined to host will prepare and submit the required CHSAA financial statement.

Multi-Team/Tournament Guarantee

- A. In district and regional tournaments involving three or more schools, the host school shall receive 20% of the gross for expenses to conduct the tournaments. If the additional expenses to conduct a tournament exceed the 20%, by **prior mutual agreement** by all participating schools, all schools will share in the deficit.
- B. In all situations in which the home school is responsible for guaranteeing the expenses of the visiting schools, all schools must negotiate an understanding of what expenses will be paid preferably as soon as possible after the opponents are determined.

XI. TRANSPORTATION ALLOWANCE:

- A. To be consistent in allowing the amount specified, mileage in each case will be calculated based on city to city mileage as determined by an internet mileage program.
- B. A team must travel on a bus to receive travel reimbursement. If a team uses personal vehicles as transportation to a game/tournament they will not receive travel reimbursement.
- C. The following is the established transportation reimbursement for all State Districts, State Regionals and State Final playoffs and is based on round trip mileage for each actual participant.

Note – The below formulas for transportation have been pre-set in the T&PF reporting form.

All Sports, except Football

- A. Teams traveling under 120 miles round trip will be reimbursed a flat-rate of \$90.
 - This flat-rate is to cover mileage and meals for the visiting team(s).

- B. Reimbursement will be paid \$.05 cents per mile based on actual participants.
- Number of participant's x round trip mileage x \$.05
- C. Teams traveling over 120 miles round trip will be reimbursed using the above calculation.
- D. Maximum number of participants:

*Roster count plus no more than 3 coaches and/or non-participants must not exceed the following maximums:

Sport	Maximum
Baseball/Soccer/Softball	21
Basketball	15
Field Hockey/Lacrosse	18
Volleyball/Wrestling	17

Football

- A. Teams traveling under 120 miles round trip will be reimbursed a flat-rate of \$180.
- This flat-rate is to cover mileage and meals for the visiting team (no meals are to be calculated)
- B. Teams traveling 120-399 miles round trip will be paid at \$1.25 per mile.
- C. Teams traveling 400 + miles round trip will be paid at \$1.25 per mile for miles 1-399 and miles 400 + will be paid at \$1.00 per mile.
- D. Maximum number of participants:

*Roster count plus no more than 5 coaches and/or non-participants must not exceed the following maximums:

Class	Maximum
A6 & A8	25
1A	35
2A	40
3A	44
4A	47
5A	50

XII. MEAL ALLOWANCE:

- A. Meal allowance, where permitted in team competition, may apply at all district, regional and state playoff tournament levels when travel is in excess of 60 miles (road miles one-way) or 120 miles round trip, and/or involves overnight lodging for tournament play.

- B. The meal allowance for all sports in all district and state playoff tournaments will be as follows:

Meal	Amount
Breakfast	\$4.00
Lunch	\$5.00
Dinner	\$6.00

- C. Meal allowance is based on the maximum number of participants allowed for reimbursement shown in the transportation section.

Note – The meal reimbursement formula is **NOT** pre-set in the T&PF reporting form and needs to be calculated manually.

- D. The above meal allowance does not pertain to the host school.
- E. The Commissioner will decide the number of allowable meals for state playoffs as noted under Item A.

XIII. HOTEL ALLOWANCE:

- A. Hotel allowance will be \$12.00 per night for actual participants based on the number shown in the transportation section.
- B. A team must travel at least 200 miles one way before overnight lodging is allowed. It must travel 325 miles one way before the second night lodging is permitted. Hotel lodging should be approved in advance by the Commissioner.

Note - Hotel reimbursement does not apply to two-day state tournaments.

Note - The hotel reimbursement formula has been pre-set in the T&PF reporting form.

- C. In the event a two-day tournament or more is involved, schools must receive prior approval from the CHSAA Office for the allowable number of overnight lodging and corresponding meals. This will be predicated on the scheduled starting time of the school's first contest, weather conditions, and overall distance from the site. Note, for single-day tournaments, the conditions as indicated above will apply.
- D. In the event of an emergency such as a storm, and the traveling team is forced to remain longer, a contingency fund will be set up by the CHSAA to defray unexpected expenses. Such hardship cases will be decided by the Commissioner. If the balance of the contingency fund is unable to cover costs, it will be prorated among the affected schools.
- E. Hotel expenses will only be allowed for actual overnight used.

XIV. ALLOWABLE EXPENSES:

- A. Maximum host school allowable game expense:

Football	Maximum
A6 & A8	\$300
1A & 2A	\$400
3A	\$550
4A	\$675
5A	\$750

All other Sports Great 8 & Beyond	Maximum
1A & 2A	\$400
3A	\$550
4A & 5A	\$700

- B. The allowable expenses are not intended to cover all expenses incurred, but rather to help offset them.
- C. At the discretion of the host school, expenses in employing police may be added to the maximum allowable game expense. Expenses must be itemized.
- D. In emergency situations which make it impossible for the home school to stay within the above allowances, the Commissioner may approve deviations from the maximum allowable expenses.
1. Bleachers moved in is an expense of the host school.
 2. Snow removal is the financial responsibility of the host school.
- E. In the case of a weather emergency during a state playoff contest, additional team expenses for meals, lodging and transportation incurred may be reimbursed from the contingency fund upon application to the Commissioner or designee.

XV. FEES COLLECTED BY CHSAA

NOTE - The Commissioner is authorized to conduct spot audits of playoff attendance and receipts.

All Sports, except Football

- A. Ice Hockey – 1st and 2nd rounds, all cost profits and/or deficits are shared by the participating schools at each site.
- B. In 1A-2A baseball up to the regionals, CHSAA will not take a percentage of the gross receipts. The home school will incur its expenses, the visiting school will incur their expenses and if there are gate receipts, these gross receipts will be split between the participating schools.
- C. In basketball, soccer, volleyball, wrestling, field hockey, lacrosse, baseball, and softball in the District, Regional and Final playoffs, CHSAA will receive 20% of the adjusted gross receipts.

- D. Starting with great 8 round, any game hosted at a school site, CHSAA will receive 10% of gross receipts and 70% of net proceeds, after expenses have been paid for all playoff games. The two participating schools will divide (equally – 15% each) the remaining 30% of the net proceeds. Allowable expenses will be applied.

Football

- A. In football, CHSAA will receive 10% of the gross receipts and 70% of the net proceeds, after expenses have been paid for all playoff games. The two participating schools will divide (equally-15% each) the remaining 30% of the net proceeds.
- B. When a football championship game is played at a predetermined high school site, each competing school will receive 10% of the gross income. The school or facility hosting the contest will also receive 10% of the gross. The remaining 70% of the gross income will go to the CHSAA.
- C. When a multi-classification football championship event is held at a predetermined site, each team's share of the gate will be determined by the CHSAA.
- D. In football only, if the host school shows a net loss greater than the amount shown on the statement, which should be paid to the CHSAA, no money is owed to the CHSAA.

Example 1: If a school hosting a football playoff game shows a net loss of \$1.00 and the CHSAA share shown on the statement is \$50.00, the net amount paid to the CHSAA is \$49.00.

Example 2: If a school hosting a football playoff game shows a net loss of \$100.00 and the CHSAA share shown on the statement is \$50.00, no money is owed to the CHSAA.

XVI. STATE TOURNAMENT REIMBURSEMENTS

- A. Allowances will be made (if gate receipts exceed the expenses, and the balance is sufficient) for travel, meals and hotel in baseball/softball, basketball, football, ice hockey, soccer, volleyball and wrestling at state championship events.

NOTE: If the balance at state championship events is not sufficient to pay allowable expenses as outlined in this report, payments to schools will be prorated.

NOTE: Travel expense reimbursement is funded according to the CHSAA formula and may or may not cover all travel costs, due to the prevailing costs for distance traveled, mode of travel, etc.

- B. A team's expenses will cease after that school's representative has been eliminated from further participation. In the case of wrestling or other individual sports, a team's expenses will cease when the last team member has been eliminated from further participation (not to include metro area as noted under wrestling). This is not intended to affect return home expenses.
- C. In all state culminating events (except football), CHSAA will retain 10% of the gross, then pay expenses on a prorated basis, based upon all allowable meals, hotel and transportation. After all allowable expenses have been paid, CHSAA will retain the balance.

- D. The CHSAA Board of Directors will make the determination after the final Audit in July as to if there is enough money to reimburse for state tournament travel for the prior year.
- E. When an independent school (including a school playing in a league out of its classification) is assigned to a (basketball, volleyball) regional qualifying tournament, its expenses for travel, meals and lodging will be reimbursed in accordance with the above policy, up to a point no greater than the reimbursement granted the furthest league member participating in terms of travel distance. In the event additional reimbursement is due, the balance will be made by the CHSAA.

XVII. POLICIES:

- A. Support Group Admission - Admission procedures at district, regional, sectional and state championship events will be determined by the Commissioner and/or Board of Directors. Admissions of these support groups are to be consistent from sport to sport and/or activity. Bands and/or Spirit groups will only be admitted in uniform and with a director or sponsor.
- B. There will be no entry fees assessed/charged at any qualifying meet, tournament, event, or contest for the purpose of purchasing awards.
- C. Co-op Schools (Trophies)--If a cooperative school wins a trophy at the final state championship level, the CHSAA will provide a duplicate trophy for the second school. CHSAA will assume the cost.
- D. Committee members can be paid on a formula different than that for paying teams when the Board of Directors determines it necessary. The Board of Directors will set these amounts. The committee members from the metro area will receive a \$10.00 mileage reimbursement, and the Association, when applicable, will pay for their lunch.

XVIII. INFORMATIONAL ITEMS:

- A. The Commissioner may call a special meeting of this committee, which shall have the power to adjust items of this report in response to severe economic changes.
- B. When discussing more revenue back to schools for hosting it is clear that \$100.00 reimbursement to an individual school is magnified over the number of sites as an estimated \$150,000.00 loss to the Association.

XIX. COMMITTEE MEMBERS:

David Walck, Chair, Grand Valley; Joe Garcia, Antonito; Shelly Miles, Widefield; Terry Henderson, Edison; Jeremy Burmeister, Longmont.

TOURNAMENT PLAYOFF AND FINANCE COMMITTEE REPORT

POLICY STATEMENT

The Tournament and Playoff Finance Committee strongly encourages all CHSAA sports committees to set geographic proximity as a primary consideration when determining post season playoff formats.

In this era of diminishing resources, it is imperative that schools conserve financial resources in the athletic arenas. While this committee has no authority over league and regular season play, the committee believes that it should do its part in conserving resources by constructing post season playoff systems that keep travel and missed school time to a minimum.

With the above mentioned criteria in mind, the committee believes that it is in the best interest of high school sports to ensure the continuing support of our communities and school boards. The surest way to accomplish this rests with sports committees in their planning for post season play.

The TPF committee is charged with developing a financial system for post season play that is not a drain on school budgets. The support of the individual sports committees is needed to ensure outside entities do not intervene in this issue.

TRACK AND FIELD

CHSAA LEGISLATIVE COUNCIL COMMITTEE REPORT FORM

April 20, 2017

TRACK & FIELD

Darryl Abeyta, Primero High School

Chair

ATH 16

Report No.

I. **MAJOR CHANGES FROM LAST REPORT:**

- A. Effective Immediately: Allow one qualifying meet on the 12th week prior to state whether it is a league meet or invitational. Teams/programs WILL be allowed to split and send athletes to different locations during the last week prior to state BUT ATHLETES MAY ONLY COMPETE IN ONE QUALIFYING MEET ON THE 12TH WEEK PRIOR TO STATE, WHETHER IT IS A LEAGUE MEET OR INVITIATONAL. The meet would fall between Monday and Saturday of the week before state. The total number of meets allowed (qualifying or non-qualifying) during the season would remain the same at 12 including the league meet. This proposed change would take effect immediately for implementation during the 2017 track and field season.

NOTE:

- a. Schools may separate and participate in more than one qualifying meet with the exception of the week of their league championship.
- B. Beginning in the 2018 season to become registered, all pole vaulting coaches will be required to take the NFHS safety course.

II. **RATIONALE:**

- A. Schools with larger teams were not able to have all their athletes compete week 12. This promotes more participation week 12, as well as makes it equitable to all teams regardless of size.
- B. This will help to endure that proper safety measures are in place for all pole vaulting athletes.

III. **FINANCIAL:**

- A. None.

IV. **DATES:**

2018

State Championship – May 17-19

2019

State Championship – May 16-18

V. QUALIFYING FORMAT ALL CLASSES (1A-5A):

- A. Athletes ranked each week of the season by electronic results submitted to MaxPreps.
- B. All regular season meets for ranking consideration must have electronic timing, three certified officials (one as referee), wind gauges and the meet identified on the CHSAA Track & Field qualifying list.
- C. MaxPreps will rank verified results and rank athletes according to their classification, gender, event and performance.
- D. Declaration procedures/timelines of athletes advancing to state will be communicated in the State Bulletin.
- E. 1A will advance the "Top 9" athletes in all lane seeded events with additional athletes per performance advancing in non-lane events.
- F. 2A-5A will advance the "Top 18" in each event.

V. QUALIFYING FORMAT (continued):

VI. INFORMATIONAL ITEMS:

- A. The Track and field committee will now meet on the Friday prior to the CHSCA Coaches Clinic at the Radisson Hotel. This will put the 2018 committee meeting on Friday, January 26th at 9:00 AM
- B. When looking to combine league meets they MUST be run separately. It cannot be considered one meet including several leagues but rather multiple leagues at one venue. This means that leagues may not compete together and pull scores later. Each league will be required to run separate heats, have separate scoring, etc.
- C. The committee requests that seeding no longer take place on a Sunday but that it be completed on a Monday morning. This will not affect the due date of entries or when the schedules go out.
- D. Meet results entered into Maxpreps must be verified within one week of submission. Any requests for change after this time frame will not be granted.

V. QUALIFYING FORMAT:**DISTRICTS (1A/2A ONLY)**

- A. District sites will be selected by the appointed school administrators. Designated school administrators will poll the assigned schools within a district in the spring of the year and report the site to the CHSAA according to the established rotations.
- B. Districts are played for placement of teams into the regionals. All districts qualify three teams to regionals.
- C. Matches that do not impact the regional qualifiers (1st, 2nd, or 3rd) will be the best 2 out of 3 sets (3rd set to 25 – no cap).
- D. Officials will be selected by the district tournament committee. Line judge fees will be part of the tournament expenses. If available, registered officials shall be used as line judges.

- E. There will be a minimum 15 minute rest period between matches for teams playing back to back. The 15 minutes will begin as soon as the court is cleared from the preceding match. The 15 minute warm-up will begin after this 15 minute rest period (where applicable). It is the responsibility of the home site's management to oversee warm-up time.
The following format is highly recommended:
- 5 minutes – Both teams on their side of the court.
 - 5 minutes – Visiting team both sides of the court (including serving).
 - 5 minutes – Home team both sides of the court.
- F. AWARDS – One district winner and one district runner-up award will be given to the first and second place teams from districts.
- G. Protection options for districts:
1. OPTION A – If an entire league is assigned to one district, the league may elect to dispense with district tournament play. League standings would then determine the qualifiers.
 2. OPTION B – If an entire league is assigned to one district, the league may elect to play a district tournament and guarantee their league champion a regional berth.
 - a. The league championship must be won outright, as determined by the league, to guarantee a regional berth.
 3. OPTION C – In multi-league districts, there is no qualifier protection; tournaments must be played to determine qualifiers to regionals. Leagues may not supersede this rule.
 - a. District Pairing and Seeding Procedures
 1. Districts must decide and submit their seeding procedures prior to the volleyball districts. Teams will be seeded by the district seeding committees.
 2. If there is one outside team in the district and if there is not unanimous agreement by all participants in the district regarding how this team is to be seeded, the outside team will be placed in a pool as either the #3 or #6 seed according to their league winning percentage, overall record, and/or head-to-head competition within teams in the district.
 3. If there are two outside teams in the district and if there is not unanimous agreement by all participants in the district regarding how these teams are to be seeded, the outside teams will be placed in opposite pools with one team seeded #3 or #6, and the other team seeded #4 or #5 according to the league winning percentage, overall records, and/or head-to-head competition.
 4. If there are three outside teams in the district, and if there is not unanimous agreement by all participants in the district regarding how these teams are to be seeded, two will be placed in one pool and the other one in the opposite pool according to league winning percentage, overall records, head to head competition, league finishes, etc.

TIE BREAKER METHOD (for CHSAA Playoff Competition)

******In the case of a tie, the Tournament Director must call the CHSAA Volleyball Administrator *BEFORE the tie breaker in order to verify (720-581-8102)*. All involved teams must sign off verifying they are in agreement that the tie was broken accurately using the following method.

1. Match record determines the seed for advancement (i.e. match record 3-0, 2-1, 1-2).
2. Always use head-to-head whenever two teams are tied.
5. **REGIONALS/STATE:** If there is a three way tie for only one qualifying spot, determine set percentage among TIED teams (eliminate non-tied teams). The two lowest set percentage teams will play one set to 25 points (no cap). The winner will then immediately play the highest set percentage team to determine the #2 seed. If two teams are tied with the highest set percentage, use head-to-head to break the tie. THERE MUST BE TWO, ONE-SET PLAYOFFS.
 - a. If tie isn't broken, then a coin flip will occur. All three teams will flip at the same time. You must flip until one team flips differently than the other two (i.e. 2 heads and 1 tails). The "odd" team out (tails in this case) will be set aside and the other two will play the first set to 25. The loser will be #3; the winner will then play the "odd" team out one set to 25 to determine #1 and #2.
3. **DISTRICTS ONLY:** If there is a three way tie for two qualifying spots, (if only one qualifying spot is available go straight to criteria #4), apply the following tie-breaker in order (a, b, c, d) and determine the highest of the three teams. THERE MUST BE ONE ONE-SET PLAYOFF. SEE BELOW:
 - a. Eliminate non-tied teams. Determine the set percentage among TIED teams. (sets won ÷ total sets played among tied teams)
 1. Take the highest set percentage team as the #1 seed. If two teams have the same percentage, use head-to-head to break the tie.
 2. The two remaining tied teams will then play one set to 25 points to determine the #2 seed. (no cap)
 - b. If three teams are still tied for the #1 seed, eliminate non-tied teams, use point differential among TIED teams (total points earned minus total points against).
 1. Take the highest point differential as the #1 seed. If two teams have the same point differential, use head-to-head to break the tie.
 2. The two remaining tied teams will then play one set to 25 points to determine the #2 seed. (no cap)
 - c. If three teams are still tied for the #1 seed, re-instate non-tied teams, use set percentage among ALL teams. (Sets won ÷ total sets played)
 1. Take the highest set percentage team as the #1 seed. If two teams have the same percentage, use head-to-head to break the tie.
 2. The two remaining tied teams will then play one set to 25 points to determine the #2 seed. (no cap)
 - d. If three teams are still tied for the #1 seed, re-instate non-tied teams, use point differential among ALL teams (total points earned minus total points against).
 1. Take the highest point differential team as the #1 seed. If two teams have the same point differential, use head-to-head to break the tie.
 2. The two remaining tied teams will then play one set to 25 points to determine the #2 seed. (no cap)

4. **DISTRICTS ONLY:** If there is a 3-way tie for three qualifying spots, determine set percentage among TIED teams (eliminate non-tied teams). The two lowest set percentage teams will play one set to 25 points (no cap). The winner will then immediately play the highest set percentage team to determine the #2 seed. If two teams are tied with the highest set percentage, use head-to-head to break the tie. THERE MUST BE TWO, ONE-SET PLAYOFFS.
- If tie isn't broken, then same procedure will be followed taking point differential among TIED teams (eliminate non-tied teams).
 - If the tie isn't broken, then the same procedure will be followed taking the set percentage among ALL teams (only in a 4-team pool). If you have a 3-team pool, go to "d" – coin flip.
 - If tie isn't broken, then same procedure will be followed taking point differential among ALL teams (only in a 4-team pool). If you have a 3-team pool, go to "d" – coin flip.
 - If tie isn't broken, then a **coin flip** will occur. All three teams will flip at the same time. You must flip until one team flips differently than the other two (i.e. 2 heads and 1 tails). The "odd" team out (tails in this case) will be set aside and the other two will play the first set to 25. The loser will be #3; the winner will then play the "odd" team out one set to 25 to determine #1 and #2.

Three-way tie for 3rd place required two, one-set playoffs to 25 points

#1 seed Mountain View (highest set percentage)

#2 seed determined by two one-set playoffs to 25 points; Palisade is set aside, so Glenwood plays Falcon first. Glenwood beat Falcon, then beats Palisade to advance as the 2nd seed.

(1A-5A REGIONALS) THREE-WAY TIE FOR STATE QUALIFIER SPOT

				W	L	Won	Set Percentage	Point Diff (if needed)	RESULT
	TEAM 1	TEAM 2	TEAM 3	Matches		Sets (Total sets won / total sets played)		Team points scored minus total points against

Three-way tie for one state qualifier requires two, one-set playoffs to 25 points

Team 1 (highest set percentage) – Set Aside

Team 2 & Team 3 must play one-set playoffs to 25 points; Team who wins will then play Team 1 (one-set playoff to 25 points) for the state berth

THE DISTRICT/REGIONAL SITE DIRECTOR SHALL USE THIS CHART TO POST POINT DIFFERENTIAL AND MATCH RESULTS FOLLOWING EACH MATCH THROUGHOUT THE DAY. THE TEAMS MUST REMAIN ON SITE THROUGH CONCLUSION OF POOL PLAY IN CASE A PLAYOFF IS NEEDED.

FOR USE BY SITE DIRECTORS ONLY

In the case of a 3-way tie for 1st, 2nd, or 3rd place in district or regional tournaments, the site director is required to call (720) 581-8102 before the tie breaker begins in order to verify accuracy for final standings. Tournament standing will be final after 1 pm on the Monday following the tournament.

For districts/regionals, there will be a 15-minute break and then the 15-minute warm-up will begin. At state, there still be a 7-minute break and then the 8-minute warm-up will begin.

DISTRICT CLASS 1A (1-90)
63 Schools

Every district will qualify three teams to regionals. Single elimination may be used in preliminary rounds. Round robin or pool play is recommended in following rounds. District play will be 3 out of 5 sets to 25 points with a deciding set to 15 points using rally scoring (no cap). Matches that do not impact the 1st, 2nd, or 3rd place qualifiers will be the best 2 out of 3 sets (3rd set to 25 – no cap)

2A PIGTAILS

If there is an odd number of teams in a district, pigtails may have to be played to arrive at an even number to lessen the number of matches required if pool play is selected.

TIES

Ties are not considered; the tie-breaker procedure must be used.

REGIONALS (ALL CLASSES)

1. All Regionals have three teams – a total of three matches will be played. All regional winners will automatically earn a berth to the state championship.
2. The highest seed in each regional will host.
3. The order of regional play will be as follows: 1 v. 3; 2 v. 3; 1 v. 2.
4. Matches will be 3 out of 5 sets to 25 points, with deciding set to 15 points using rally scoring (no cap) used for regional play. Matches that do not impact the State Qualifier (1st) will be the best 2 out of 3 sets (3rd set to 25 – no cap). **This will only happen if Team 3 beats Team 1 and Team 2 in the first two matches.*
5. It is recommended that a minimum of 30 minutes are scheduled in-between matches in order to accommodate for adequate rest (15 minutes) for the team that is playing back to back.
6. The 15-minute warm-up is strongly recommended. It is the responsibility of the home site's management to oversee warm-up time.

The following format is highly recommended:

- 5 minutes – Both teams on their side of the court.
 - 5 minutes – Visiting team both sides of the court (including serving).
 - 5 minutes – Home team both sides of the court.
7. The tie-breaker procedure must be utilized. The hot line number must be used whenever there is a tie to verify tie-breaker accuracy for final standings. **Ties during regional play will be limited to 3-teams tied for 1st. There must be two, one-set playoffs to 25 (no cap).*
 8. AWARDS – One state qualifier plaque will be awarded to the regional winner advancing to state.
 9. OFFICIALS – Officials will be selected by the regional directors/tournament committee. Line judge fees would be part of the tournament expenses.

1A/2A Regionals

With three teams in each regional, only one court is necessary. Team 1 may host at their home school, if they wish. Discussion should happen in advance between the districts involved. Those schools hosting regionals should have adequate seating capacity. Standards without cables attached to floor should be used for safety reasons.

Wildcard Teams (4) – Will be selected after the completion of the regional tournaments. Teams will be selected based off of the RPI Rankings published the **Monday after Regionals**. Teams must have participated in regionals in order to be considered as a “wildcard team” to the state championship. Based off of RPI, the wildcard teams will be the next four highest ranked teams that made it to regionals but did not win. Eight regional winners, plus these four wildcard teams will advance to state. Wildcard teams will be announced with the state pairings on the Monday before state.

3A-5A Regionals

With three teams in each regional, only one court is necessary. Those schools hosting regionals should have adequate seating capacity. Standards without cables attached to floor should be used for safety reasons.

1. All league champions will automatically earn a berth to regionals.
2. The remaining teams (up to 36) will be selected straight off of the RPI rankings published at the end of the regular season.
3. Teams will then be seeded based on the regional seeding criteria:
 - a. The CHSAA RPI ranking system will be the primary seeding consideration
 - b. The CHSAA Seeding Committee will only make changes based on splitting up league opponents and geographical considerations (if and when possible).
4. Teams seeded No. 1 through 12 will host regionals.
5. All regional winners will automatically advance to the state championships.

State Seeding/Pairing Criteria for 1A/2A

Teams will be seeded based on the State Seeding Criteria by the State Seeding Committee:

- a. The CHSAA RPI Rankings published the Monday **after Regionals** will be the primary seeding consideration.
- b. If there are three (3) teams from the same league in the same pool, the committee shall look to make a switch in order to avoid this. The committee should first look to switch teams seeded 9-12.

State Seeding/Pairing Criteria for 3A/4A/5A

Teams will be seeded based on the State Seeding Criteria by the State Seeding Committee:

- a. The CHSAA RPI Rankings published the Monday **prior to Regionals** will be the primary seeding consideration.
- b. If there are three (3) teams from the same league in the same pool, the committee shall look to make a switch in order to avoid this. The committee should first look to switch teams seeded 9-12.

VI. INFORMATIONAL ITEMS:

- A. The CHSAA RPI ranking system will be updated on our website. In the event that two teams have the same RPI in the final standings, the following tiebreakers shall be used (in order):
 1. Head-to-head competition
 2. Winning percentage
 3. Opponents' winning percentage
 4. Opponents' opponents' winning percentage
 5. Highest-rated win against a team in the final RPI standings
 6. Next-highest rated win until the tie is broken
 7. Coin flip
- B. **It is strongly recommended that coaches be clear on the number of matches their team will play in a given tournament. This information must be included in the tournament contract.**
- C. It is strongly recommended that 2 out of 3 sets be played at all sub-varsity levels to enhance time management constraints. Further recommendations to shorten nights include:
 - Scheduling 2, 3 or 4-team round robins on Saturdays when possible to lessen time for week night matches.
 - Monitoring warm-up time between matches.
 - Flipping coins before the first sub-varsity match for all matches that will be played that evening/day.
 - Use of multiple nets and/or gymnasiums where available.
- D. Postseason (District and Regional) play is strongly recommended for Saturdays to lessen missed school time and alleviate travel time. Due to constraints with officials and the large number of Regionals, play on Saturday afternoon should be considered (instead of Saturday morning).
- E. It is recommended that site directors & regional tournaments build in a minimum 30-minute rest period for teams having played back-to-back matches prior to a subsequent match.
- F. Line judges will use flags at the State Tournament. District and Regional site directors should use flags.

G. In the case of inclement weather, the tournament director, in conjunction with the CHSAA office may obtain permission to not play matches that appear to have no bearing on the result.

H. State Association Adoption of NF Playing Rules:

1. 1-2, note 2 Modification of match format is permitted for other than dual varsity matches.
